Democrats withdraw offer to fund Trump's border wall

WASHINGTON (Reuters) - Democrats said on Tuesday they had withdrawn an offer to fund U.S. President Donald Trump's border wall, as tough negotiations over the future of young illegal immigrants known as "Dreamers" resumed in the Senate.

A day after the end of a government shutdown linked to wrangling over immigration, Senate Democratic leader Chuck Schumer said he pulled the offer because of what he said was Trump's failure to follow through on the outlines of an agreement the two men discussed last Friday.

So we're going to have to start on a new basis and the wall offer is off the table," Schumer told reporters. An aide said the offer was pulled on Sunday.

The Congressional Hispanic Caucus expressed fears on Tuesday that Republicans in the House of Representatives would pursue a harsh immigration bill written by Judiciary Committee Chairman Bob Goodlatte.

The House measure would allow Dreamers to renew their legal status for three years, instead of putting them on a pathway to citizenship, and would call for hiring 10,000 more agents at U.S. borders while shutting down some visa programs and taking other steps to find people who are in the country illegally.

During the 2016 election campaign, Republican Trump said Mexico would pay the cost of building a wall along the southwestern border of the United States to keep out illegal immigrants. Mexico has rejected the idea.

As a result, Trump has been forced to ask Congress for U.S. taxpayer funds for the wall. Government estimates are that it could cost over $21 billion.

With Democrats and many Republicans arguing there are more effective border enforcement tools than a wall, the proposal has become a major sticking point in immigration negotiations, which in turn have complicated talks about funding federal agencies.

The Senate's No. 2 Democrat, Dick Durbin, asked by a reporter whether Schumer offered Trump $25 billion for the wall in a major concession to the president, did not dispute the figure, but said: "He did it in the context of a negotiation."Senate Minority Leader Chuck Schumer, accompanied by Sen. Dick Durbin (D-IL) and Sen. Patty Murray (D-WA), speaks with reporters following the party luncheons on Capitol Hill in Washington, U.S. January 23, 2018. REUTERS/Aaron P. Bernstein

Democrats have been spearheading an effort to protect about 700,000 young Dreamers after Trump last September announced the end of the Deferred Action for Childhood Arrivals, or DACA, program instituted by his Democratic predecessor, Barack Obama.

The program, which began in 2012, gave qualified Dreamers, who were brought illegally to the United States as children, temporary protection from deportation and the ability to study and work in the United States.

'Dreamers' react as they meet with relatives during the 'Keep Our Dream Alive' binational meeting in Sunland Park

Senator John Cornyn, the No. 2 Senate Republican, criticized Schumer for pulling the wall funding offer.

"That basically sets the DACA discussion back," he told reporters.

Cornyn said there had been discussions of he and Durbin being a "clearing-house" for suggestions from senators on legislation to rescue Dreamers from the threat of deportation and provide permanent protections for them.

In agreeing on Monday to end a three-day government shutdown and fund the government until Feb. 8, Senate Democrats got a promise from Senate Majority Leader Mitch McConnell that he would allow an immigration debate on the Senate floor in the near future, the first one since 2013.

Durbin said a similar commitment was now needed from Paul Ryan, the Republican speaker of the House of Representatives, where a Dreamer bill would presumably face a much harder path to passage than in the Senate.

Texas Instruments' revenue growth slowdown rattles investors

(Reuters) - Texas Instruments Inc (TXN.O) on Tuesday posted the slowest revenue growth in four quarters on softer demand for its chips used in communications equipment, disappointing investors who expected sales for automotive chips to drive strong results.

Investors also reacted to a tepid forecast for current-quarter revenue.

TI's revenue rose nearly 10 percent in the fourth quarter, but growth is expected to slow down to about 7 percent in the quarter ending March, based on the mid-point of the company's forecast.That compares with growth of 12 percent to 13 percent each in the first three quarters of 2017.

Though TI saw strong demand for chips used in automobiles and by industries, Chief Executive Officer Richard Templeton said the business that makes chips used in communications equipment faced soft demand.

"That's a market that traditionally is choppy," he said.

Communications equipment made up 13 percent of Texas Instruments' revenue in 2016.

TI has benefited in recent years as many automakers pivot toward self-driving vehicle technology. The automotive market contributed 18 percent of the company's revenue in 2016.

The company reported a 67 percent slump in profit to $344 million in the fourth quarter ended Dec. 31, mainly due to tax-related expenses from new U.S. tax laws.

Excluding the tax expense, Texas Instruments earned $1.09 per share, matching analysts' average estimate, according to Thomson Reuters I/B/E/S.

"It's not a blow-out result, but it is perfectly fine," said Stacy Rasgon, an analyst at Bernstein.

TI forecast current-quarter earnings of $1.01 to $1.17 per share. Analysts were expecting $1.06.

The chipmaker's shares have climbed nearly 15 percent this year after a 43 percent rise in 2017

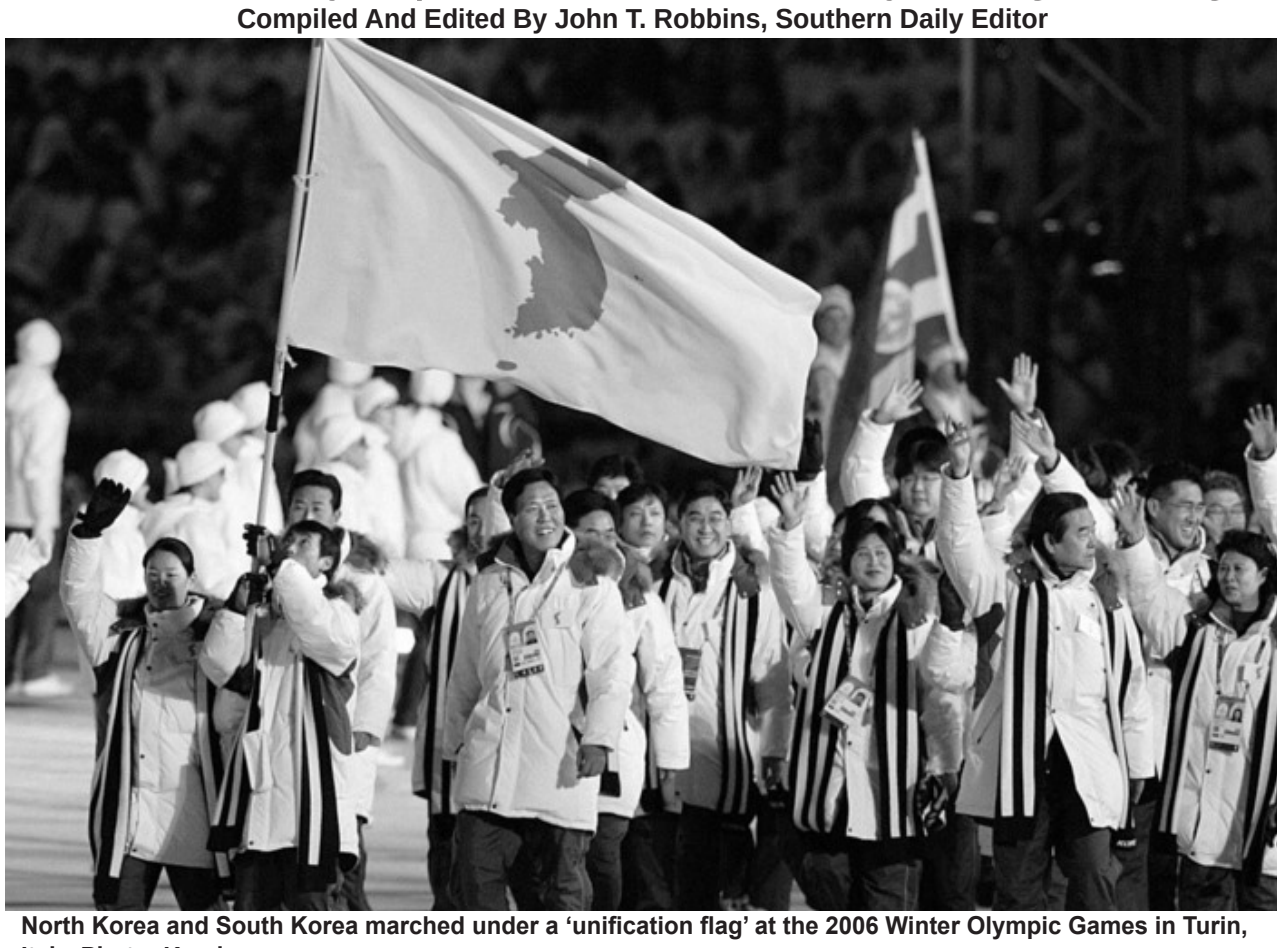
North Korean Athletes Will Compete In The Winter Olympics Games In Pyeongchang

Compiled And Edited By John T. Robbins, Southern Daily Editor



North Korea and South Korea marched under a 'unification flag' at the 2006 Winter Olympic Games in Turin, Italy. Photo: Kyodo

Athletes from North Korea will participate in the Winter Olympics in South Korea next month, International Olympic Committee President Thomas Bach said Saturday.

North Korea will send 22 athletes who will compete in three sports, Bach said, following a meeting between delegations from the two Koreas and Olympic officials in Lausanne, Switzerland.

Athletes from the North and South will also march together under one flag at the opening ceremony for the Games in Pyeongchang, which begin February 9, Bach said.

"This team will enter the Olympic Stadium under the Korean unification flag. I'm sure that this will be a very emotional moment not only for all Koreans but also for the entire world," Bach said.

He also confirmed that, for the first time in Olympic history, the two nations will enter a joint women's ice hockey team under the name Korea and represented by the unification flag.

Of the 22 North Korean athletes, 15 will be women and seven will be men, the IOC said. They will be accompanied by 24 coaches and 21 media representatives.

Members of the women's North Korea ice hockey team.

The athletes will compete in ice hockey, ice skating and skiing across five disciplines -- ice hockey, figure skating, short track speedskating, cross-country skiing and alpine skiing -- the IOC said.

Bach said reaching this outcome "was not an easy journey" but that he was proud of what the representatives of the two Koreas, the IOC and the Pyeongchang 2018 Organizing Committee had achieved.

The proposals from North and South Korea had to be approved by the IOC and Pyeongchang committee before they could go ahead.

IOC leader: Games 'beyond all political tensions'

North Korea's unexpected participation, negotiated in talks at the heavily fortified border between the two nations since the start of the year, has been hailed as a diplomatic breakthrough that could herald peace on the Korean Peninsula.

However, others fear that South Korea has fallen for a North Korean charm offensive and warned the international community not to be complacent.

In his remarks, Bach said the IOC had been working for several years to address the "special situation" of having the 2018 Winter Olympics on the Korean Peninsula.

"Let us not forget that such an agreement would have seemed impossible only a few weeks ago," he said as he thanked the two governments for their embrace of the Olympic spirit.

"The Olympic Games are always about building bridges, they never erect walls. The Olympic spirit is about respect, dialogue and understanding. The Olympic Winter Games Pyeongchang 2018 are hopefully opening the door to a brighter future on the Korean Peninsula and inviting the world to join in a celebration of hope."

Following the talks, the IOC outlined details of how the 22 North Korean athletes will be accommodated in the Games, only weeks before they start.

The women's ice hockey team will be created by adding 12 players and one official from North Korea to the existing South Korean Olympic squad of 23 players, the IOC said.

In the interests of fairness, only 22 players will be entitled to play in each match, in line with the other teams, it said. They will be selected by the head coach from South Korea and must include three North Korean players for each game.

Other North Korean athletes now allowed to compete in the Games include the figure skaters Ryom Tae-Ok and Kim Ju-Sik, who had qualified for the Winter Olympics in September but were not registered by their country's Olympic committee before the deadline.

Two additional places have been allocated in short track speedskating, the IOC said, with one going to Jong Kwang-bom and the other to Choe Un-song, both men.

Three places have been allocated in cross-country skiing, with two men and one woman to compete, and another three in alpine skiing, again with two men and one woman to take part, the IOC said.

Joint Training Proposed

The IOC had previously approved the two countries jointly participating in Olympic opening and closing ceremonies, something that happened during the Sydney Summer Games in 2000.

But the South Korean Unification Ministry announced an unprecedented range of joint activities between the countries for the Games following talks Wednesday at the Demilitarized Zone.

North and South Korean skiers will train together at a resort in North Korea before the Olympics start, and performers from the two countries will also hold a joint cultural event at Mount Kumgang.

In addition, an art troupe, a 30-strong North Korean taekwondo demonstration team and press corps will travel south, South Korean Unification Ministry spokesman Chun Hae-sung told reporters in Seoul.

A delegation of 150 North Korean athletes and supporters will attend the Paralympics, Seoul's Unification Ministry said.

An advance inspection team for the art troupe will travel from North Korea on Sunday, the ministry said Saturday. A day earlier, the ministry said North Korea had canceled the advance trip, then scheduled for Saturday, without an explanation.

Moscow Visit

Russian Deputy Foreign Minister Igor Morgulov said he did not rule out the possibility that a North Korean delegation could visit Moscow ahead of the Games.

In an interview with Russia's state-run TASS news agency published Saturday, Morgulov said the main focus of any meetings would be on bilateral issues. He said the recent talks between the two Koreas indicated that tensions would be reduced during the Winter Olympics.

"In our opinion, the direct dialogue that started between Seoul and Pyongyang, as well as the agreements that were reached during it, give grounds to believe that during the Olympic Games, the situation on the peninsula will be relatively stable," Morgulov said.(Courtesy http://www.cnn.com/2018)

Evans-Shabazz Named Chair Of HCC Board Of Trustees

By Winnie Yu, Southern Daily Reporter,
Compiled And Edited By John T. Robbins, Southern Daily Editor

Dr. Carolyn Evans-Shabazz, new chair of the Houston Community College Board of Trustees.

HOUSTON [Jan.19, 2018] – Dr. Carolyn Evans-Shabazz is the new chair of the Houston Community College Board of Trustees. The trustees elected Dr. Evans-Shabazz, who represents District IV, at the January 18 board meeting.

"I fully support Chancellor Cesar Maldonado and the HCC administration as they continue to transform the college into a model institution," Evans-Shabazz said.

Dr. Evans-Shabazz, a board member since 2015, is a former teacher and currently a real estate professional.

The board also named Pretta VanDible Stallworth as vice-chair. Elected to the board to represent District IX in December 2017, VanDible Stallworth was named to the post by fellow trustees on the same day of her ceremonial swearing-in . She previously served on the board from 1989 to 1993 and is an educator and business consultant.

Trustee Zeph Capo was elected board secretary. Capo has represented District I on the board since his election in 2013 and is the vice president and legislative director for the Houston Federation of Teachers.

HCC HOUSTON COMMUNITY COLLEGE

Also at the January -18 board meeting, the board passed a "Resolution of Unity and Support" by a vote of 8-0, resolving to work together in a professional and collegial manner and disavowing trustee actions that circumvent the college's policies and procedures, cause unnecessary distraction, or do not support the college's mission. The resolution also recognized achievements under Dr. Maldonado's leadership, including the following:

- Increasing the annual awards of certificates and degrees by 22%
- Increasing dual-credit student enrollment by 35%
- stablishing 14 Workforce Centers of Excellence
- Establishing the historic partnership with Apple and the launching of the iCDS (Coding and Design School)
- Retiring more than $19 million in bonded indebtedness and removing the negative watch by rating agencies

Finally, the board approved a proposal to hire a consultant to work with the college to develop a long-term strategic plan.

"I am grateful for the support of my colleagues and pleased that they joined me in voting for the resolution of unity and support," said Evans-Shabazz. "The college has made tremendous strides under Chancellor Maldonado's leadership and I am excited to begin long-term strategic planning as we chart a course for the college's future."

Invention, Creation And Innovation: HCC Thrives At Houston Maker Faire

HOUSTON [November 2017] – Curiosity, imagination and a desire to make the world a better place through innovation were three of the common denominators shared by thousands of high school and college students who attended the Houston Maker Faire. The event took place Oct. 21 – 22 at the George R. Brown Convention Center. It brought together what many consider, the next generation of entrepreneurs.

The Houston Maker Faire is a massive gathering of students and educators, who show, share and compete with projects designed to solve problems. Houston Community College had its own Innovation Pavilion at the event. More than 100 HCC faculty and staff checked in as exhibitors. Students focused their efforts on topics that ranged from environmental issues to consumer needs.

Ravi Brahmbhatt, Director of Student Innovation and Entrepreneurship at HCC, took several students to showcase their work. He was inspired to see the growing enthusiasm of young problem-solvers.

"We had one of the largest turnouts this year," Brahmbhatt said. "I am so proud of our HCC students for sharing their cool projects and classroom technology. We are also very thankful to our deans and chairs for coming and networking with the community."

One of the participants was Ursela Knox, an HCC Business Management student. Her invention was a transportation system that moves people from rural areas to sectors with better employment and educational opportunities.

"I am pleased at the public's approval," Knox said. "I am glad they thought my project was something needed. I got all thumbs up."

Bhaskar Sarkar, an international student who recently arrived at HCC from Bangladesh, was impressed by his peers' vision of the future. "The Houston Maker Faire and the IDEAS pitch competition have been incredible platforms for talented young minds," Sarkar explained. "I am in awe at how passionate my classmates are about changing the world for the better."

Some of the winning projects presented by students included a system that uses drones and GPS tracking to identify swarms of mosquitoes to reduce diseases. Another winning invention was a fiberglass pipe for the oil and gas industry designed to reduce the possibility of spills.

"By giving them tech and up-skill training, we help students gain tools to inspire action," Brahmbhatt added. "We encourage students to come up with innovations. We believe they will trigger others to do the same."

About HCC

Houston Community College (HCC) is composed of 15 Centers of Excellence and numerous satellite centers that serve the diverse communities in the Greater Houston area by preparing individuals to live and work in an increasingly international and technological society. HCC is one of the country's largest singly-accredited, open-admission, community colleges offering associate degrees, certificates, workforce training, and lifelong learning opportunities. Protecting yourself against tax identity theft

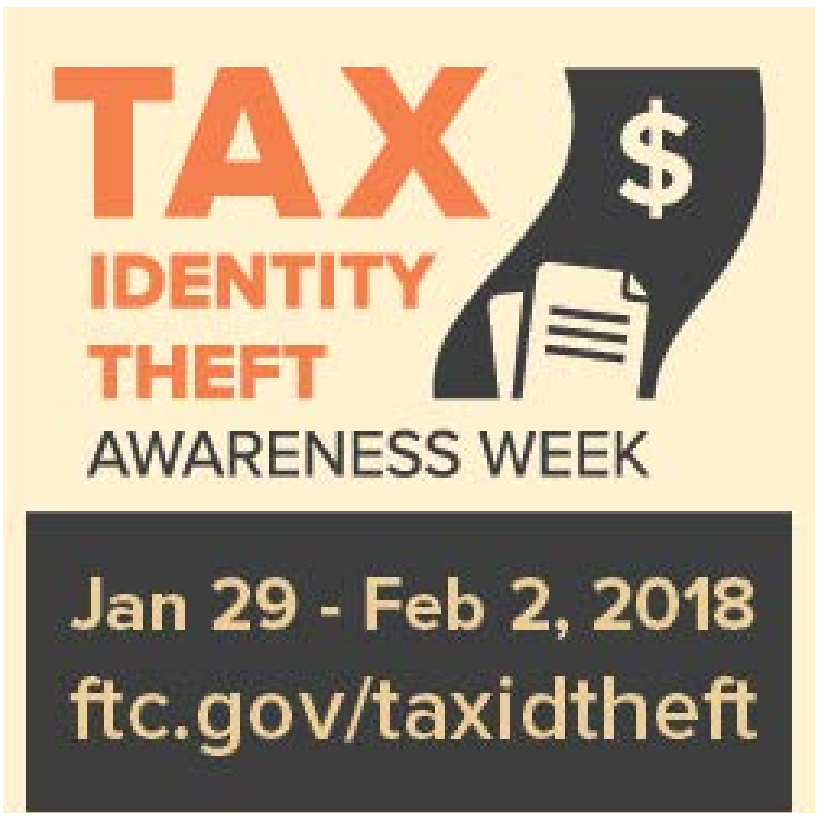
by Seena Gressin
Attorney, Division of Consumer & Business Education, FTC



It's tax season and tax identity thieves are eager to claim your tax refund as their own. Find out how to stop them during Tax Identity Theft Awareness Week, January 29-February 2.

The FTC and its partners are hosting free webinars and Twitter chats to talk about tax identity theft, how to reduce your risk, and what to do if it happens to you. Visit ftc.gov/taxidentitytheft to learn how to participate. Here's what's on tap:

January 29, 2 p.m. EST — The FTC and the Identity Theft Resource Center co-host a webinar for consumers about tax identity theft, IRS imposter scams, how to protect yourself, and recovery steps for victims.

January 30, 2:30 p.m. EST — The FTC, AARP Fraud Watch Network, AARP Foundation Tax-Aide program, and the Treasury Inspector General for Tax Administration invite consumers to a webinar about tax identity theft and IRS imposter scams.

January 31, 11 a.m. EST — The FTC and the Department of Veterans Affairs co-host a Twitter chat for service members, veterans, and their families about minimizing your risk of tax identity theft and recovering if you're a victim.

January 31, 1 p.m. EST — The FTC, the Department of Veterans Affairs, and the Treasury Inspector General for Tax Administration discuss tax identity theft, IRS imposter scams, and what to do if you become a victim. This is a closed webinar for Veterans Administration employees, patients, and contractors.

February 1, 1 p.m. EST — The FTC and IRS offer a free webinar for small businesses about tax identity theft, imposter scams that target businesses, cybersecurity, data breaches, and free resources for your business, employees and customers.

February 1, 3 p.m. EST — The FTC and the Identity Theft Resource Center invite consumers to join a Twitter chat about tax identity theft, its warning signs, and what to do if it happens to you.

In the meantime, the FTC has these tips to fight tax identity theft:

File your tax return early in the tax season, if you can.

Use a secure internet connection if you file electronically, or mail your tax return directly from the post office.

Respond to all mail from the IRS as soon as possible.

If tax identity theft happens to you, visit IdentityTheft.gov to report it to the FTC, file an Identity Theft Affidavit with the IRS electronically, and get a personal recovery plan.

Five missing after Houston company's rig explodes

By Jordan Blum

Patterson-UTI leader says cause of blast in Oklahoma natural gas field is unknown

A fiery explosion at an Oklahoma drilling rig Monday left five people missing, including three employees of the rig's owner, Patterson-UTI Energy of Houston.

The explosion cut through the Patterson-UTI rig just before 9 a.m. Monday, according to Oklahoma authorities, and the Houston driller confirmed that three of its workers were among the missing at the Pittsburg County natural gas well site. Patterson-UTI said the fire's cause was still unknown.

"At this moment, no one knows with certainty what happened, and it would be unwise to speculate," Andy Hendricks, Patterson-UTI's chief executive, said in a statement. "Well control experts and emergency responders are on-site, and we will conduct a thorough investigation when the incident is fully contained. "

Hendricks, who was traveling to Oklahoma, said the company was providing support to the families of the missing, whose names have not been released.

"There is nothing more important to us than the safety of our employees and others we partner with in the field," Hendricks said. "Tonight, our thoughts and prayers go out to all those affected and their loved ones."

Aerial footage showed several fires were still burning by midday on the rig and much of the equipment had collapsed, the Associated Press reported.

"Pretty much everything that is on location is on fire," Pittsburg County Emergency Management Director Kevin Enloe said during an afternoon news conference.

冬奧倒數16天 備戰進衝刺階段

中國雪上軍團爭上游 抱團健兒

徐夢桃蟬聯空中技巧總決賽冠軍

距離2018平昌冬奧會開幕只剩16天時間，中國雪上軍團的備戰工作也進入最後衝刺階段。截至目前，中國代表隊不僅在雪上優勢項目名額無憂，跳台滑雪、雪車等冷門項目也取得不斷突破，捷報頻傳。

■徐夢桃蟬聯世界盃總決賽冠軍。法新社

■徐夢桃獨欠一枚冬奧金牌。 法新社

■劉佳宇力爭在單板滑雪U型場地賽取得獎牌零的突破。 美聯社

截至目前，中國自由式滑雪隊共拿到10張冬奧會門票，其中作為中國雪上項目的排頭兵——空中技巧拿到男女滿額門票共8張。空中技巧是中國隊為數不多拿到平昌冬奧會滿額參賽資格的雪上項目，也有望在平昌冬奧會衝擊金牌，目前隊內坐擁徐夢桃、齊廣璞、賈宗洋等名將，集團優勢明顯。

作為中國女子空中技巧的領軍者，徐夢桃離職業生涯大滿貫只差一枚冬奧會金牌，目前她已鎖定一張冬奧會門票，而楊雨、張鑫、孔凡鈺將是另外3張的有力爭奪者；男子選手中，齊廣璞和賈宗洋佔據兩席，劉忠慶、王心迪、吳樹迪、周航將爭奪另外1張門票。

優勢項目名額無憂

單板滑雪U型場地是另一個中國雪上項目有希望衝擊冬奧會獎牌的單項，中國隊至今在冬奧會上已參加3次這個項目的較量，最好成績是劉佳宇2010年溫哥華冬奧會獲得的女子第四名。

目前，中國隊在單板滑雪U型場地項目上一共拿到6張平昌冬奧會門票，從分配情況來看，U型場地女子拿到滿額4張門票，不出意外名將劉佳宇、兩屆世錦賽冠軍得主蔡雪桐、李爽將鎖定其中3張，邱冷和武紹桐爭奪另外1張；U型場地男子中國隊獲得2張門票，張義威佔據其中一席。他們也將共同出擊，在平昌冬奧會上彌補此前未能站上冬奧會領獎台的遺憾。

經過幾個賽季的奮戰，中國健兒在不少冷門項目上捷報頻傳。在1月21日結束的日本藏王女子跳台滑雪比賽中，中國女運動員常馨月名列第16，以總排名第35名的成績驚險獲得參加平昌冬奧會的最後一張入場券，成為中國跳台滑雪歷史上第一次闖入冬奧會的女子運動員，取得歷史性突破。

冷門項目不斷突破

單板滑雪的另一支隊伍——平行迴轉在成績上同樣有所突破，目前中國女子平行大迴轉隊已拿到2個平昌冬奧會參賽資格。越野滑雪是冬季項目中的基礎大項，在冬奧會中有12枚金牌。截至目前，中國越野隊順利拿到4張冬奧會門票。此外，在高山滑雪項目，中國隊也已獲得2張門票。

儘管眾多雪上項目是為了備戰北京2022年冬奧會，但在即將開幕的平昌冬奧會已初嘗甜頭。中國雪車隊也已獲得平昌冬奧會雪車項目2個男子雙人車參賽資格、1個男子四人車參賽資格，以及鋼架雪車男子項目1個參賽資格。中國選手的身影將首次出現在冬奧會的雪車賽道上。 ■中新網

■賈宗洋在美國普萊西德湖世界盃奪得本季第三冠。 法新社

2017-2018賽季空中技巧世界盃分站賽最後一站和總決賽，分別於當地時間本月20日至21日在美國普萊西德湖進行，最終，賈宗洋收穫本賽季分站賽最後一金，總決賽徐夢桃克服背傷，蟬聯總決賽冠軍。

世界盃普萊西德湖站是平昌冬奧會前最後的世界大賽。據《中國體育報》消息，中國女隊派出徐夢桃、孔凡鈺、楊雨、顏婷以及徐思存五人參賽。首日比賽，孔凡鈺以81.20分獲得第四，徐夢桃以74.92分獲得第五。次日決賽中孔凡鈺落地出現失誤，以79.69分獲得第五名。徐夢桃無論是騰空還是空中姿態都非常完美，最終得到112.99分，奪得賽季第二冠，順利蟬聯總決賽冠軍。

中國男隊派出的是齊廣璞、賈宗洋、劉忠慶、周航、王心迪和吳樹迪。最終賈宗洋以126.99分獲得首日冠軍，這是他本賽季的第三個個人冠軍，王心迪拿到首日第四。次日的總決賽中國男隊無人晉級決賽。

新後衛犯錯 利記又劫富濟貧

■雲迪積克(右)頭槌解圍犯錯，造就艾菲莫臣(右二)奠勝。 法新社

在英超墊底的史雲斯23日凌晨在主場爆出冷門，以1：0戰勝利物浦，結束了紅軍18場不敗的佳績。今冬以破後衛身價紀錄新加盟的雲迪積克，今仗解圍失誤累球隊輸波，看來“利記”“劫富濟貧”本色未改，領隊高洛普在防線方面仍未可安枕。

第40分鐘，主隊一次角球攻勢，雲迪積克頭槌解圍竟將球頂落地，造就前鋒艾菲莫臣轟入奠勝球。完場前利記前鋒法明奴頭槌攻門中柱，注定全失3分。利記上周剛以4:3終結了榜首曼城的不敗紀錄，今場聯賽卻竟將3分全送給榜尾隊，現落後第3名車路士3分。

高洛普震怒：表現差勁

“我感到很沮喪和生氣，真的想不到。我們一直積極爭取入波，縱然完場前中柱是有些不夠運，但己隊無疑是踢了一場差勁的比賽。”高洛普怒道：“史雲斯全場都為生存而戰，我們卻展現不出應有氣勢，今晚就是失敗者。”

■香港文匯報記者 梁志達

短訊

U23亞錦賽組委：“空場抵制”不實

■中國隊（紅衫）負卡塔爾，無緣U23亞錦賽8強。 新華社

2018亞足聯U23錦標賽組委會22日發表聲明說，近日有部分網絡媒體報道稱，中國球迷對中國隊在小組賽最後一輪對陣卡塔爾隊比賽時的裁判判罰產生不滿，因此集體抵制到場觀賽，用空場的方式來表達不滿。經組委會核實該新聞為不實新聞。

組委會表示，本屆比賽於本月9日-27日在江蘇常州、昆山、江陰和常熟四個城市舉行。根據亞足聯規定，本次賽事門票收益屬於各賽區所有，因此比賽門票由各賽區組委會進行銷售。

組委會坦言，除了中國隊以外的比賽場次球票銷售情況均不理想，日本、越南和韓國等鄰近國家在華球迷較多，每場均有150-200人的球迷赴現場觀賽；中西亞等球隊比賽基本沒有主客隊球迷觀賽。組委會分析原因認為：一是本項賽事為國家青年隊比賽，較著名的球星不多；二是比賽期間賽區處於寒冬，氣溫較低，前期還有雨雪天氣；三是比賽時間大部分為工作日的下午和晚上。 ■新華社

納比自爆將與國足續約

正在休假的中國男足（國足）主帥納比，日前接受意大利媒體《Area Napoli》訪問時透露，自己很快將與國足續約，為期3年，他同時否認接手意大利國家隊。據悉，納比與國足的合約會在2019年亞洲盃後到期，此前有報道稱足協已經準備好了與納比續約的流程，合約為期3年，如果納比最終接受，那麼他將在亞洲盃後繼續帶領中國隊衝擊2022年卡塔爾世界盃。

■香港文匯報記者 陳曉莉

賈秀全棄U19國青帥位

據網易體育消息，中國足壇名宿賈秀全已不再擔任1999年齡段U19國青隊主教練。據悉，賈秀全在率隊挺進U19亞青賽決賽圈後就已經萌生去意。中國足協曾誠意挽留他，但賈秀全經過反覆考慮後，最終還是選擇放棄執教2001年齡段2024年奧運會國奧適齡選拔隊。賈秀全與沈祥福一樣，都是在沒有簽約的情況下給中國足協“幫忙”，因此他們卸任也談不上請辭。

■香港文匯報記者 陳曉莉

老闆回家過年！景德鎮陶瓷古典家私在敦煌廣場最後三天大甩貨，出價就賣，快去撿漏！

（本報記者黃梅子）中國景德鎮陶瓷古典家私古玩玉器在中國城敦煌廣場二樓生活良品隔壁展銷，因老闆要回中國過春節，租約馬上到期，最後三天跳樓大甩貨，折扣高達90% OFF以上，出價就賣！

瓷都景德鎮，有上千家窯廠、瓷廠，是歷代官窯所在地。此次展銷的幾百件景德鎮瓷器件件都是精品，其中就有著名工藝美術大師曹文選的幾件佳作，曹文選是瓷藝大師王錫良的弟子，王錫良是當代瓷藝名家，“珠山八友”之一，景德鎮第一位“中國工藝美術大師”，他的作品在拍賣會上能拍出幾百萬的高價。但王錫良年事已高，沒有新作品問世，所以他弟子的作品現在在市場上炙手可熱。此次展銷就有王錫良弟子曹文選的幾件作品，這幾件作品工藝高超，做工精細，厚重莊嚴，大氣磅礴，讓人眼界大開。大師作品，可作爲傳世珍品收藏，不可錯過。

此次精品展帶來不少氣派恢弘的紅木傢俬，各種越南黃花梨家具套組、大型博古架、書桌、大型沙發組、餐桌組等。黃花梨家具已經被識貨的藏家買走了好幾套，出價就有機會，請大家抓住機會！尤其值得推薦的是兩組大型根凋茶台，以整棵樹根凋刻而成，天然遒勁、古樸生動，茶台設計巧妙，排水管道隱藏其中，與家人朋友一起品茗賞木，實乃人生一大享受！各種中型茶盤、小型果盤、平安扣、鎮紙等，各種黑檀木茶盤，玲瓏瓷茶具等也應有盡有。

另外，本次展出的精品還包括金絲琺瑯描金開光瓷板畫、景德鎮陶瓷名家的各種作品、蘇繡名家精品刺繡等均屬上品，讓你愛不釋手。整個精品展上萬件精品前所未見，等你收藏。因老闆要回家過年，場地租約只有幾天就到期了，現跳樓大甩貨，最後幾天，每天從早上9點到晚上9點，全天營業開門，出價就賣！折扣最高達90% off以上，機會難得，不可錯過這個撿漏的大好時機。

春節就要到了，華人都喜歡在節日期間走親訪友，不管您是送給美國友人還是華人親朋，景德鎮瓷器絕對是上好的選擇，看上去高貴但實際花錢並不多，還有原裝的禮盒包裝，眞是太划算了！

腿腳有勁才能長壽：“養腿”要趁早 禦足軒爲您提供全套足療保健

（本報記者施雪妮）如果把身體比做一台機器，“腿”和“腳”就是提供動力的馬達。馬達不靈了，機器便會老化、運轉不良。人老後，不怕頭髮變白、皮膚鬆弛，怕的就是腿腳不靈便。生活中也不難發現，長壽老人幾乎都步履穩健、行走如風。因此，只要養好腿腳，活過百歲的可能性便大大提高。

雖然人到中年後，腿腳會慢慢衰老，但“養腿”是一輩子的事，一定要趁早。從20多歲開始，就要注意保護。特別是現在以車代步慣了，腿部力量通常比較差，只有養好腿，才能阻止衰老提前到來。平時除了飲食、運動等外，經常足浴按摩是一個不錯的選擇。

足浴保健療法是足療諸法中的一種，它是通過水的溫熱作用、機械作用、化學作用及借助藥物蒸汽和藥液薰洗的治療作用，起到疏通奉理，散風降溫，透達筋骨，理氣和血，從而達到增強心腦血管機能、改善睡眠、消除疲勞、消除亞健康狀態、增強人體抵抗力等一系列保健功效。足浴保健療法又分爲普通熱水足浴療法和足藥浴療法。普通熱水足浴療法是指通過水的溫熱和機械作用，刺激足部各穴位，促進氣血運行、暢通經 絡、改善新陳代謝，進而起到防病及自我保健的效果。足藥浴療法是指選擇適當的藥物、水煎後兌入溫水，然後進行足藥浴，讓藥液離子在水的溫熱作用和機械作用下通過粘膜吸收和皮膚滲透進入到人體血液循環進而輸佈到人體的全身臟腑達到防病、治病的目的。

實踐表明，經常進行足浴，使足部的湧泉、太衝、隱白、崑崙等諸多穴位受到熱力刺激，就會促進人體血脈流通，調理臟腑，平衡陰陽，舒通經脈，強身健體，推遲衰老，祛病延年。足浴不失爲一種可靠的局部浸潤療法。它不僅可防治足部疾患如腳氣、腳凍、腳乾裂，以及下肢麻木、酸痛、發涼、腫脹等病症，而且因爲經絡的作用，對於感冒、關節炎、高血壓、神經衰弱、眩暈、失眠、便秘等病症，也都有確實療效。

禦足軒每天現煮足浴的中草藥，採用的是中國疑難雜症名醫郭金銘的祖傳秘方，專精腳腿酸、痛、脹、麻；風濕性引起的腳跟痛；跌打損傷導致的後遺症和長期站立者血液回流受阻的腿腳疼痛等。郭金銘爲西安中醫骨病研究所所長、中醫主任醫師、著名疑難病專家，出身中醫世家，係清初中原名醫郭敬海第六代傳人，50年代初，掌握了「郭氏正骨獨特八法」繼承了郭氏正骨眞傳，研製出多種驗方治療骨傷科疾病，療效顯著。此外，禦足軒師傅專業，按摩技術嫻熟，對患有腰疼，腿疼，頭疼，頸椎疼痛，拿捏到位，效果明顯。值得一提的是：來禦足軒的所有客人都可享用單人房和雙人雅間，環境優雅，讓人得到最好的鬆弛和休息，禦足軒所有使用毛巾均是一次性使用，並經過嚴格消毒。

禦足軒是一家環境舒適價錢平實的腳底、全身按摩專門店。雖身處繁華的中國城鬧市，郤悠然鬧中取靜，獨具匠心裝修與服務堪稱業中之最，爲在緊張工作節奏之外獨闢一調適身心的靜謐佳所。內部全部採用單間服務，滿足夫妻和一家人在一起免受干擾的需要。禦足軒自開業以來，堅持嚴格管理、高質量服務的宗旨，贏得了客戶的好評。熱誠歡迎大家光臨。

位于中国城敦煌广场内御足轩，9889 Bellaire Blvd, C–316 Houston, TX 77036 (敦煌广场)，详情请电713–271–0168。

地址：9889 Bellaire Blvd, C–316 Houston, TX 77036 (敦煌廣場)，詳情請電713–271–0168。

冬季養生很關鍵 足療按摩顯奇效

（本報記者施雪妮）很多女性都會出現手腳冰涼的現象，有些人甚至全身冰冷，造成身體多種不適，或引發疾病上身，故而冬季重在暖身。要想暖身，除了通過食療驅寒保暖外，也有些人通過足療按摩來活絡經血。良好的足療按摩可以達到奇特的效果。

1.促進血液循環。一般來說，體溫與血液循環有密切的關係，體溫低血液循環也較低，體溫升高血液循環也隨之旺盛。足療可以改善足部血 液循環，增高皮膚溫度，從而促進足部和全身血液循環;改善了心臟功能，降低了心臟負荷。有人做過測試，一個健康的人按摩雙足30分鐘，其全身血液的流量增 加女性爲10–13倍，男性爲13–18倍。可見，熱水足療可使血液循環順暢和改善

2.促進新陳代謝。足療促進了足部和全身的血液循環，由於血液循環量的增加，從而調節各內分泌腺體分泌各種激素，如甲狀腺分泌的甲狀腺激素，腎上腺分泌的腎上腺激素等等，這些激素均能促進新陳代謝。

3.消除疲勞。當人體肉體疲勞時，首先出現足部血液循環不良，代謝終產物，鈣鹽、乳酸微晶體等物質沉積。當人體某個器官功能不正常或 患病時，由於病理反射的影響，使足部的血液循環更爲不良，更容易產生沉積物。運動員在經過一天劇烈運動後，每公斤血液中平均含有30毫克的乳酸，按摩雙足30分鐘後，進行採血檢查，約下降5毫克，經過一段足浴時間，血液中的乳酸降低20毫克左右，恢復到幾乎不感覺疲勞時血中的乳酸水平。可見，熱水足療是消 除肉體疲勞的最簡單有效的辦法。

4.改善睡眠。足部有豐富的神經末梢和毛細血管，腳對神經和毛細血管有溫和良好的刺激作用。這種溫熱刺激反射到大腦皮層，對大腦皮層起到抑製作用，是興奮的交感神經順利地向副交感神經轉換。副交感神經興奮後，此時人處於安靜休息狀態，從而改善睡眠，消除失眠症。

5.養生美容，養腦護腦。通過足療，可以調節經絡和氣血。同時，足部血管擴張，血容量增加，從而使頭部血流加快，及時足量補充大腦所需氧氣和營養物質。
