# Protests flare around the United States over Minneapolis killing

MINNEAPOLIS (Reuters) - Violent protests flared overnight in several U.S. cities as demonstrators vented their anger over the killing of George Floyd, a black man who died in Minneapolis this week after a white police officer knelt on his neck.

From Minneapolis to New York City, Atlanta and Washington, protesters clashed with police in a rising tide of anger over the treatment of minorities by law enforcement.

The demonstrations broke out for a fourth night despite prosecutors announcing on Friday that the policeman filmed kneeling on Floyd's neck, Derek Chauvin, had been arrested on third-degree murder and manslaughter charges.

Three other officers have been fired and are being investigated in connection with Monday's incident, which reignited rage that civil rights activists said has long simmered in Minneapolis and cities across the country over persistent racial bias in the U.S. criminal justice system.

In Detroit late on Friday, a 19-year-old man was shot dead at a demonstration by a suspect who fired from a sport utility vehicle then fled, local media reported. Police could not immediately be reached for comment.

Many of the protesters chanted, "No justice, no peace," and some carried signs that read, "End police brutality" and "I won't stop yelling until everyone can breathe."

In the video of Floyd's death, filmed by a bystander, the 46-year-old could be heard repeatedly pleading with the officers and telling them he could not breathe.

Thousands of demonstrators also filled the streets of New York City's Brooklyn borough near the Barclays Center arena. Police armed with batons and pepper spray made scores of arrests in sometimes violent clashes.

In lower Manhattan, demonstrators at a "We can't breathe" rally demanded legislation to outlaw the chokehold used by a city police officer in the 2014 death of Eric Garner, who was also black.

In Washington, police and Secret Service agents deployed in force around the White House before dozens of demonstrators gathered across the street in Lafayette Square.

President Donald Trump said early on Saturday that he had watched the whole thing from his window, and, if the demonstrators had breached the fence, "they would have been greeted with the most vicious dogs, and most ominous weapons, I have ever seen."

"That's when people would have been really badly hurt, at least," Trump wrote on Twitter. "Many Secret Service agents just waiting for action."

## CHAOS IN ATLANTA

In Atlanta, Bernice King, the youngest daughter of civil rights icon Martin Luther King Jr., implored people to go home on Friday night after more than 1,000 protesters marched to the state capitol and blocked traffic on an interstate highway.

The demonstration turned violent at points. Fires burned near the CNN Center, the network's headquarters, and windows were smashed at its lobby. At least one police car was among several vehicles burnt. Police pushed back the crowd, but they hurled bottles at officers.

Georgia Governor Brian Kemp declared a state of emergency in Atlanta and activated the Georgia National Guard, sending as many as 500 soldiers to guard property, as the protests moved from downtown to the affluent Buckhead neighborhood.

News broadcasts showed officers making several arrests, but police provided few details Saturday morning.

Protesters also took to the streets in other cities including De In Minneapolis, Minnesota's largest city, hundreds of protesters defied an 8 p.m. curfew around a police station that was burnt on Thursday night.

"We are out here because we, as a generation, realize things have to change," said one marcher, Paul Selman, a 25-year-old black man.

Authorities had hoped Chauvin's arrest would allay public anger. Late on Friday, officers opened fire with tear gas, plastic

bullets and concussion grenades, scattering the crowd.

Still, Friday night's crowds were far smaller and more widely dispersed than the night before.

Law enforcement kept a mostly low profile, a strategy seemingly calculated to reduce the risk of violent confrontations, as was the case in several urban centers across the country where sympathy protests arose.

Hennepin County Attorney Mike Freeman said the investigation into Chauvin, who faces up to 25 years in prison if convicted, was ongoing and that he anticipated also charging the three other officers, identified by the city as Thomas Lane, Tou Thao and J Alexander Kueng.

Floyd, a Houston native who had worked security for a nightclub, was arrested for allegedly using counterfeit money at a store to buy cigarettes on Monday evening.

Bail has been set at \$500,000 for Chauvin, but it was unclear early on Saturday whether he remained in custody. Hennepin County jail records showed no inmate of that name.

## Trump's Executive Order Takes Aim At Social Media Companies

Compiled And Edited By John T. Robbins, Southern Daily Editor

Washington — President Trump on Thursday signed an executive order taking aim at the legal shield that protects social media companies from liability for content posted by users on their platforms, ramping up his attacks on tech giants over alleged censorship and a first-ever fact check on his own tweets this week. In an Oval Office signing Thursday, the president declared that social media companies that engage in "censoring" or any "political conduct" will not be able to keep that shield. One senior administration official told CBS News the order is intended to curb the protections social media companies have shield against liability for content like comments, posts and videos. The order would allow regulators to claim internet companies are censoring free speech when they delete users' posts or accounts. "The choices that Twitter makes when it chooses to suppress, edit, blacklist, shadow, ban are editorial decisions, pure and simple," the president said Thursday. "They're editorial decisions. In those moments, Twitter ceases to be a neutral public platform and they become an editor with a viewpoint, and I think we can say

that about others also — whether you're looking at Google, whether you're looking at Facebook and perhaps others."

He continued, "One egregious example is when they try to silence views that they disagree with by selectively applying a fact check. ... Therefore today I'm signing an executive order to uphold the free speech and rights of the American people. Currently social media giants like Twitter receive an unprecedented liability shield based on the theory that they are a neutral platform, which they are not." The order calls for new regulations under Section 230 of the Communications Decency Act, which provides the shield for internet companies protecting them from liability for user content on their platforms. The measure has been in place for more than two decades, though some Republicans and Democrats on Capitol Hill have targeted Section 230 and have been

calling for changes to the law that would weaken its protections.

Attorney General Bill Barr, present for the executive order signing, claimed social media companies lose their protections as platforms when they begin to editorialize and offer comment on content. Barr said the Trump administration is working on litigation and legislation in this area, and the president said the legislation may have something to do with amending or doing away with Section 230.

Mr. Trump's executive order, which was first reported by The Wall Street Journal, is certain to face legal challenges. The president recognized that Thursday.

"I guess it's going to be challenged in court, but what isn't?" said Mr. Trump. The president said he would try to shut down Twitter if his lawyers found a legal way to do so. But he recognized there would be significant hurdles and he'd "have to go through a legal process." While the president's criticisms of Twitter and Facebook are not new, his battle with the social media giants escalated Wednesday after Twitter for the first time applied a fact-checking label to two of his tweets claiming mail-in voting leads to voter fraud. "Republicans feel that Social Media Platforms totally silence conservatives voices. We will strongly regulate, or close them down, before we can ever allow this to happen. We saw what they attempted to do, and failed, in 2016," Mr. Trump tweeted Wednesday morning. Later Wednesday night, the president claimed tech giants were attempting to interfere in the upcoming presidential election, saying they are "doing everything in their very considerable power to censor in advance of the 2020 election." "Stay tuned," he teased to his more than 80 million Twitter followers.

House Speaker Nancy Pelosi criticized the president's approach to tech giants.

"The president's executive order does nothing to address big Internet companies' complete failure to fight the spread of disinformation," Pelosi said. "Instead, the president is encouraging Facebook and other social media giants to continue to exploit and profit off falsehoods with total impunity — while at the same time directing the federal government to dismantle efforts to help users distinguish fact from fiction."

Mr. Trump has suggested in the past that U.S. regulators should sue social media companies and accused them of suppressing and censoring conservatives on their platforms. The White House last year held a social media summit with conservative groups that excluded Facebook, Twitter and Google. Still, the president is an avid Twitter user and says the platform allows him to speak directly with supporters and the American people. Mr. Trump said he'll keep his account because he can refute "fake news" for his followers and supporters. Lawyer and CBS News contributor Jonathan Turley said in an op-ed published in The Hill this week that the president's executive order isn't likely to have much weight without backing from Congress.

President Donald Trump and the Twitter logo in a photo illustration on December 1, 2017.

"His new executive order would seek to eliminate key liability protections for social media companies while calling for federal investigations into political bias,"

Turley wrote. "But without legislative support, such a crackdown on these companies is highly unlikely to succeed. However, Congress has been angling to curb online free speech for years." (Courtesy <https://www.cbsnews.com/>)

On Thursday afternoon, Trump signed an executive order threatening penalties against social-media companies over allegations of bias against conservatives. The order singled out Twitter, claiming the platform "now selectively decides to place a warning label on certain tweets in a manner that clearly reflects political bias." It continued: "As has been reported, Twitter seems never to have placed such a label on another politician's tweet." In its response, Twitter said that Section 230 protected speech online and that "attempts to unilaterally erode it threaten the future of online speech and Internet freedoms." Compiled And Edited By John T. Robbins, Southern Daily Editor

The death of an unarmed black man at the hands of a police officer ignited protests in Minneapolis and other US cities. Four Minneapolis police officers involved in George Floyd's death have been fired — but Floyd's family wants them to be charged with murder. Angry demonstrations flared in Minneapolis for a third consecutive day as protesters torched a Minneapolis police station Thursday night and protests spread to nearby St. Paul. The unrest was sparked by the death of George Floyd, a handcuffed black man who pleaded for air as a white police officer knelt on his neck. Protests have now erupted nationwide. Floyd's arrest was captured in a video seen by millions around the world, sparking global outrage. It shows Floyd laying on the ground with white officer Derek Chauvin's knee pinning him to the ground as he begged, "I can't breathe." Four officers in the incident have been fired. No charges have been filed.

Police hold a line on the fourth day of protests on May 29, 2020 in Minneapolis, Minnesota. (Photo/Getty Images) The death of George Floyd has ignited protests in Minneapolis and at least six other cities across the US. Some of the protests have been peaceful, while others have been destructive. Minneapolis has been the epicenter of the protests, where state police in body armor and riot gear lined up overnight near the city's police precinct that was set ablaze by protesters. Here is where protests have occurred so far: Minnesota: Minneapolis and St. Paul; Arizona: Phoenix; Colorado:

Denver; Kentucky: Louisville; Tennessee: Memphis; Ohio: Columbus. Trump says National Guard has arrived in Minneapolis

President Trump tweeted about the unrest in Minneapolis for the first time this morning since his late-night tweet, threatening that "when the looting starts, the shooting starts." That tweet was flagged by Twitter as violating the platform's rules. Trump said in his latest tweet that the National Guard has "arrived on the scene" in Minneapolis and is "fully prepared."

Per a tweet late Thursday evening, the Minnesota National Guard activated more than 500 soldiers to the St. Paul, Minneapolis, and surrounding communities.

The National Guard has arrived on the scene. They are in Minneapolis and fully prepared. George Floyd will not have died in vain. Respect his memory!!!

George Floyd moved to Minnesota "to be his best self," as one friend put it. He worked security at a restaurant, where he developed a reputation as someone who had your back and was there for you when you were down. "Knowing my brother is to love my brother," Philonise Floyd, George's brother, told CNN's Don Lemon Tuesday. "He's a gentle giant, he don't hurt anybody."

Floyd, 46, died Monday in the city he moved to for a better life, his last moments caught on video. While being arrested, Floyd was held down by a Minneapolis police officer's knee. The video shows Floyd pleading that he is in pain and can't breathe. Then, his eyes shut and the pleas stop. He was pronounced dead shortly after. That officer and three others involved in the

incident have been fired. 'He was loved by all'

Floyd, a Houston native, grew up in the city's Third Ward and graduated from Jack Yates High School where he played football, according to CNN affiliate KTRK.

He moved to Minnesota for work and to drive trucks, according to friend and former NBA player, Stephen Jackson.

"He knew he had to relocate to be his best self," Jackson wrote on Instagram.

Jackson, a Houston native also, called Floyd his twin in a second Instagram post about Floyd.

Floyd worked security at Conga Latin Bistro in Minneapolis for five years, according to its owner, Jovanni Thunstrom.

"He was loved by all my employees and my customers," Thunstrom told CNN. "He was my friend."

"I was looking at the video and I said that can't be Floyd, but later it just blew out. It was Floyd. And that's when it hit me, it hit me hard," Thunstrom told CNN affiliate WCCO. (Courtesy https://www.cnn.com/)

中国名花，五月花神，一开就惊艳全场

牡丹谢了，芍药开了。牡丹虽美，芍药也不逊色，芍药花姿绰约，花色艳丽，色香韵俱佳，为群芳之冠，五月花神。

芍药之美，圆融，紧凑，大气，《本草纲目》中记载，芍药，犹绰约也，此草花容绰约，故以为名。从名字里就能看出芍药芳姿不俗，另外一个字“药”，则体现了她的另一个属性——药理性。

芍药是少有的药用价值极大、同时也观赏性极强的开花植物，它的块根就是中药里的白芍，入药后具有镇痉、镇痛、通经的作用。这种功效对女子来说是极为重要的，它能够滋阴补血、益气安神、解痉止痛、镇静消炎，因而被称为“妇科之花”。

喜欢芍药的花友，不知道你们有没有听说过这样一个故事：

东汉末年，神医华佗为了方便研究药草，就在他的房屋后面圈了一个园子，开辟成药园，种了各种中药草，每味药草他都要亲自试过药性后才用到病人身上。

有个外地友人来访，见他这里没有芍药，就送了华佗几粒芍药籽，华佗就

把它随手种在了药园里，等芍药长叶开花后，他仔细研究了芍药的叶、茎、花，发现没什么特别的功效，就没再对芍药有过多关注。

一次，华佗坐在灯下看书，忽听有女子的哭声，推门走出去后，又不见人影，华佗颇感纳闷，他的妻子望着窗外的花草药草说到，这里的一花一草到你手里都成了良药，唯独芍药被你冷落一旁，她自然感到委屈了。华佗听罢笑道：我尝遍百草，对其药性无不解得一清二楚，唯独芍药不能入药，怎能说委屈了她？

之后的某一天，华夫人血崩腹痛，用过好多药都不见好转，最后没办法了，想起芍药还没有用过，就瞒着丈夫把芍药的根煎水后服用了，结果不到半天腹痛就止住了，又服用了两日，病痛全无。

华夫人赶紧把此事告诉了华佗，华佗才意识到自己忘记研究芍药的根了，果真是委屈了芍药。他对芍药的块根做了细致的研究和试验，发现用处颇多，功效很强，能镇痛安神、平肝益气、养血敛阴，此后，芍药就被广泛地使用了。

芍药不但是有名的中药材，她还是中国人的爱情之花。古代男女交往，别

离之时，多情女子总爱将芍药赠与心上郎君。芍药又因此而被称之为“将离”。君将离去，我心悠悠。多情女子就是这样借芍药来表达心意的，微寒中透着些许心酸。

每一棵花草的背后，都有一个美丽的故事，花友们，你喜欢芍药吗？如果你也想养，那下面这关于芍药的常识可要了解一下~

芍药花期5-6月，比牡丹晚一个月左右，但是比牡丹更好养护，毕竟它是草花，管理起来简单省心，而且南方和北方都可以养。但是一定要搞清楚最适合的种植时间。

农谚：“七芍药八牡丹”，就是指芍药适合在农历七月份（阳历8月下旬~9月上旬）的时候种植，这个适合，中原地区的芍药就可以分株了，分下来的

块根可以移栽，南方地区温度高，要适时推迟。

中国名花，五月花神，一开就惊艳全场

芍药喜光照，耐旱耐寒，冬天最好在0度左右的环境中经历40天的春化，这样来年萌芽会很多，花芽在长日照下会发育开花，如果光照不足，就会只长叶子不开花哦~

怎么让自己家的狗狗比别人家的更听话

“子不教，父之过”。熊孩子捣乱，家长背锅；如果宠物不老实，那是铲屎官的责任。除了从幼犬开始训练外，训练狗狗的重要原则就是：对的表扬；错的不予理睬；避免怜悯导致的娇惯。

在训练狗狗的过程中，家庭成员应团结一致——设定一个规矩后，所有人都不能擅自打破规矩，否则狗狗会疑惑：你们想要的到底是啥？我这么做到底对不对？甚至去试探：我能不能再过分一点？所以，要训练，就要坚守规矩。

说起狗狗的坏毛病，主要有四点：扒餐桌、扑人、乱叫、随地大小便。所以我们针对这四点来讲训练技巧。什么握手、打滚、跳绳、后空翻之类的，就自行搜索吧。

一、扒桌子 狗扒桌子，主要是由于它在幼年时期吃到了太多“餐桌食物”。有些人在吃饭的时候就习惯餐桌上的食物直接丢给狗狗，以至于狗狗形成了一个错误的

意识：餐桌上的食物就是我的食物。 餐桌食物给狗狗，这个行为存在两个主要问题：第一，人类的吃的东西对狗狗来说口味较重，且可能存在营养不均衡的情况，容易使其出现各种健康隐患，并产生挑食的习惯。

第二，等狗狗长大后，它们有可能会直接爬上桌子，特别是大型犬，届时有的主人反而会觉得自己受到了冒犯而处罚狗狗，这将引起狗狗的困惑，并产生更多的问题。

要避免这个问题，首先所有人应达成共识——狗狗只能吃狗粮或犬类零食，任何人、任何时间都不可以给狗狗任何餐桌食物。但是如果狗狗在主人一家吃饭的时候蹲守在桌旁乞食怎么办呢？这时所有人唯一需要做的就是无视它。请相信，只要铲屎官坚持，狗狗就不再坚持。这种“冷漠”不会持续太久，狗狗就能明白：乞食只是白费力气。铲屎官也可以在给狗狗准备狗粮的时候提醒

它：“来吃豆豆啦！”以后每当狗狗想扒餐桌就告诉它：“去吃你的豆豆去~”时间久了，狗狗也能明白“狗粮就是我的食物”这个道理。

二、扑人 “扑人”在某些时候是汪星人在表达兴奋以及对人类的喜爱，它们想要人类的“抱抱”。但是作为大型犬，“求抱抱”的行为就会变得非常危险，尤其是面对小孩子或者身材娇小的人时，甚至有可能把对方扑倒。

扑人的行为通常都是狗狗在幼犬时期养成的习惯，此时狗狗体型较小，主人也就忽略了潜在的威胁。汪星人类能够记住人类的“鼓励”行为，如果它们在扑人的时候，人们就迎合它，给它爱抚或拥抱，那么汪星人类就会认为“扑人有爱抚、有抱抱”。正确的做法是，如果狗狗过来扒自己的裤腿，不要弯腰下去抚摸，而是应该无视，然后转身。等狗狗从裤腿上下来，并坐下时，再对

它进行奖励。这样你就会得到一只见到人就会乖乖坐下的好狗狗。此时可以配合语言如“坐”，加深狗狗对“坐”这个行为的理解。

三、犬吠 犬吠中含有多种信号，其中一部分是警戒、通知其他家庭成员、害怕等因素。我们主要讨论上述情况的解决方案。

首先是之前很多品种介绍都提到的让狗狗在幼犬时期尽可能多地参与社交活动。如果狗狗在刚出生的时候没有与大多数陌生人接触过，那么它长大后不免对陌生人产生一点点紧张的情绪，有时候这种情绪会通过吠叫表达出来。

主人最好在家里一进门的位置准备好小零食，只要家里来客人，就邀请客人拿一点小零食喂给狗狗，这样做的好处有两个：首先让狗狗对陌生人不再感到紧张，而是将他与好吃的联系在一起；其次，可以与前文的第二点结合训练

，在陌生人的帮助下，强化狗狗见到人就坐下的好习惯。

四、大小便 刚到家的小狗还没有定点排泄的意识，即使马上开始训练，也会有一段时间的适应期。在这期间，如果发现狗狗没有定点排泄，切记不要对此进行处罚，不要让狗狗对排泄这件事以及家庭成员产生压力。铲屎官只需要悄悄地移除这个地点的排泄物，确保不留有气味。唯一需要对狗狗进行奖励的就是它在指定地点排泄的行为——这个原则可以套用在狗狗的任何行为上，假如你认为狗狗的某个行为很讨厌，那就无视它；如果你喜欢狗狗的做法，那就奖励它并跟它互动。

这里我们讨论的仅限于“憋尿”时定让它点排泄的情况。但有一种特殊时期会导致狗狗不遵循规矩——狗狗的发情期。母犬发情时，有可能在任何地方“散播气味”。
