Three U.S. governors to quarantine visitors from states where COVID-19 spiking

FILE PHOTO: A sign is displayed at Saks 5th Avenue in the Manhattan borough of New York City, New York, U.S., June 24, 2020. REUTERS/ Carlo Allegri/File Photo

NEW YORK (Reuters) - As the number of new coronavirus cases surged in many areas of the United States, New York, New Jersey and Connecticut - once at the epicenter of the outbreak - will require visitors from states with high infection rates to quarantine on arrival.

The announcement on Wednesday came a day after the country recorded the second-largest increase in novel coronavirus cases since the health crisis began in early March. There were nearly 36,000 new infections nationwide on Tuesday, according to a Reuters tally.

States subject to the 14-day quarantine are Alabama, Arkansas, Arizona, Florida, North Carolina, South Carolina, Texas, Washington and Utah, New York Governor Andrew Cuomo said at a briefing.

“This is a smart thing to do,” New Jersey Governor Phil Murphy said via video at a joint news conference in New York City. “We have taken our people, the three of us from these three states, through hell and back, and the last thing we need to do right now is subject our folks to another round.”

While the United States appeared to have curbed the outbreak in May, leading many states to lift restrictions on social and economic activity, the virus is moving into rural areas and other places that it had not initially penetrated deeply.

The virus is also renewing its surge in states that opened up early to ease the devastating effect of the restrictions on local economies.

The New York-New Jersey-Connecticut tri-state area was able to lower its infection rate after locking down much of its economy and moving slowly to reopen.

With little federal guidance and decisions largely left to local officials and businesses, however, the pace of reopening in the rest of the country continues to look like a patchwork.

FILE PHOTO: A sign is displayed at Saks 5th Avenue in the Manhattan borough of New York City, New York, U.S., June 24, 2020. REUTERS/Carlo Allegri/File Photo
Florida, one of the first states to reopen, on Wednesday experienced a record increase of more than 5,500 new cases. Oklahoma, which never ordered a statewide lockdown, on Wednesday posted record new cases for the sixth time this month.

On Tuesday, Arizona, California, Mississippi and Nevada had record rises. Texas set an all-time high on Monday.

The surge in cases nationwide on Tuesday was the highest since a record of 36,426 new infections on April 24.

QUARANTINE
The new quarantine order also applies to tri-state residents returning from the targeted states, to be determined by the number of new cases per 100,000 people or the percent testing positive, Cuomo said.

Visitors found violating the order, which takes effect from midnight, could face fines of $1,000 for a first violation and $5,000 for repeat offenses, he said.

Such quarantines are not unprecedented. Hawaii requires visitors from the U.S. mainland to self-quarantine for two weeks. Florida and Texas at one point required people coming in from New York area airports to quarantine for two weeks.

The U.S. Department of Justice has filed its support for a lawsuit challenging Hawaii’s quarantine, saying visitors are being denied rights granted to most island residents.

While some of the increased numbers of cases can be attributed to more testing, the numbers do not correlate.

The average number of tests has risen 7.6% over the last seven days, according to data from The COVID Tracking Project, while the average number of new cases rose 30%.

WEA LEE'S GLOBAL NOTES

06/24/2020 CORONAVIRUS DIARY

Coronavirus Has Brought This Nation To Its Knees

Dr. Robert Redfield, Director of the Centers for Disease Control and Prevention, said yesterday that the COVID–19 has brought this nation to its knees and we probably are going to spend $7 trillion because of this one little virus. Redfield's comments were made as half of the nation is seeing spikes in new coronavirus cases.

Dr. Anthony Fauci also warned that if we don't get control of the coronavirus pandemic by fall, we are essentially chasing after the forest fire.

Dr. Redfield also pointed out that this crisis needs to be a partnership. It's not all the burden of the federal government to invest in public health at the local level. He said in reality if your funding of CDC was to go away tomorrow, the public heath infrastructure across this nation would just crash.

It is true that when you look at our medical system, most of it is made up of private businesses that have as their goal to be financially sound. But because the majority of people do not have insurance, they just can't take

advantage of the service.

Sadly, when this pandemic attacked the nation, the federal government just could not control and coordinate the whole nation to mobile very effectively.

We are urging all the politicians and congress to take dramatic action to face the reality of this disaster. Don't talk too much political language. Just look at how much people are suffering now.

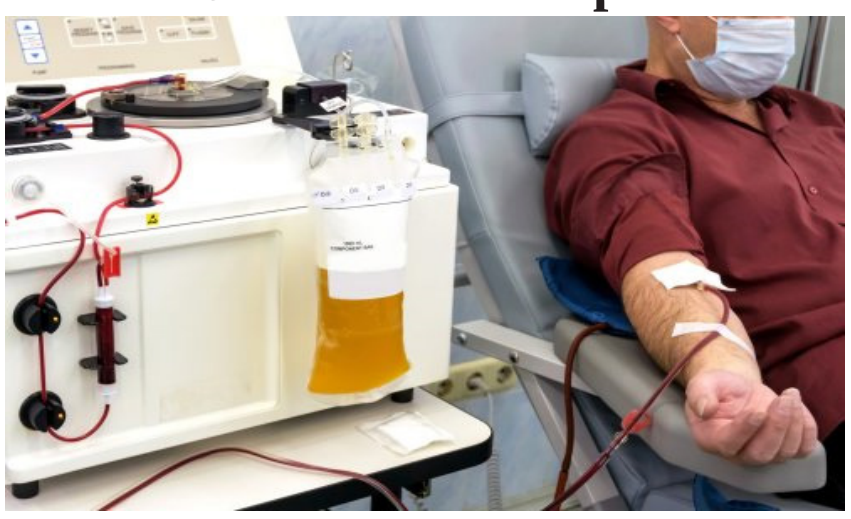
In First U.S. Study Of COVID-19 Blood Plasma Transfusions…. 76% Of Patients Improve



(Photo/Vital - Adobe.com/Health & Medical)

Compiled And Edited By John T. Robbins, Southern Daily Editor

KEY POINTS

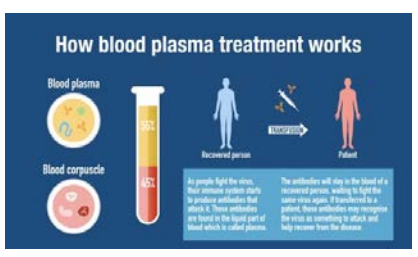
More patients have already been given plasma transfusions since this first trial. In all, 74 critically ill COVID-19 patients have received blood from recovered patients at Houston Methodist. Of that group, 50 have been discharged thus far. There's also no shortage, it seems, of blood to work with; over 150 recovered coronavirus patients have donated so far, with many making more than one

Compiled And Edited by John T. Robbins, Southern Daily Editor

HOUSTON — New research from Houston Methodist concludes that plasma transfusions from recovered COVID-19 patients are a safe and at least somewhat effective treatment option for people still dealing with severe coronavirus symptoms. Out of 25 patients given a transfusion, 19 saw their condition improve and 11 were discharged.

This was the first U.S. convalescent plasma transfusion trial, and participating patients saw no negative nor any adverse side effects after receiving the treatment. There have, however, been smaller studies conducted on blood plasma transfusions for COVID-19 patients. All of those projects came to similar conclusions.

"While physician scientists around the world scrambled to test new drugs and treatments against the COVID-19 virus, convalescent serum therapy emerged as potentially one of the most promising strategies," comments corresponding study author Dr. James M. Musser, chair of the Department of Pathology and Genomic Medicine at Houston Methodist, in a statement. "With no proven treatments or cures for COVID-19 patients, now was the time in our history to move ahead rapidly."



(Photo/Dimitrios – stock.adobe.com)

This treatment approach for viral diseases certainly isn't new; blood transfusions were used in the same way during the Spanish Flu outbreak of 1918, and more recently during the 2003 SARS pandemic, the 2009 influenza H1N1 outbreak, and the 2015 Ebola outbreak in Africa.

The first signs that plasma transfusions from recovered COVID-19 patients could help others came from China. A small number of Chinese patients showed improvement after receiving blood transfusions. Once news of that project was reported to the team at Houston Methodist, they immediately started thinking about how to apply convalescent serum therapy to COVID-19.

Many of the patients' health outcomes following the plasma transfusions mirrored what happened to COVID-19 patents who were given the antiviral drug remdesivir. Furthermore, while some patients in this trial study did experience complications after receiving blood, the research team believe those problems were caused by the coronavirus infection itself and not the transfusions.

Blood Plasma

All of the plasma transfusions given for this trial were done on an emergency basis for patients in critical condition. With that in mind, the study's authors say much more research is needed before the therapeutic effects of convalescent serum therapy can be determined. The Methodist study included 25 patients, all on oxygen support. Seven days after getting plasma therapy, nine had improved, seven enough to be discharged. At 14 days, another 10 had improved, four enough to be discharged. One patient died. A randomized control trial for just this purpose may take place at Houston Methodist in the future. Wherever it happens, that trial will focus on more specific aspects of the treatment like timing of the transfusion in reference to the emergence of coronavirus symptoms, the number and volume of transfusions (depending on the patient), and anti-body levels in the plasma. In theory, a more thorough trial will help inform doctors of the best time to administer transfusions for individual patients. (Courtesy studyfinds.org)

Houston Methodist study reports plasma therapy safe, has helped 3/4 of patients

More than three quarters of 25 critically ill Houston Methodist COVID-19 patients improved after receiving blood plasma from people who have recovered from the disease, according to the first U.S. study to be published on the century-old therapy's use against the deadly pandemic.

More than three quarters of 25 critically ill Houston Methodist COVID-19 patients improved after receiving blood plasma from people who have recovered from the disease. (Photo/ Houston Chronicle / Staff)

A preliminary report by the Methodist research team concluded that what's known as convalescent serum therapy is a safe treatment option for patients with COVID-19, the disease caused by the novel coronavirus. The report has not yet been peer reviewed. Because it is not known if the patients would have improved without the experimental treatment, the report called for a clinical trial comparing patients who receive the plasma therapy to patients who receive either a placebo or some standard of care.

The study, the largest to date assessing the therapy's use in COVID-19 patients, comes two weeks after study leader Dr. James Musser told the Chronicle that 30 of the first 50 patients treated with the therapy had recovered and gone home. He said then he would be submitting results to a journal shortly.

Debra Ammons is recovering from COVID-19 after receiving a plasma treatment at Baylor College of Medicine, in Houston, Thursday, April 30, 2020. (Photo/Houston Chronicle/Staff)

Methodist gained attention for the therapy in late March when it became one of the first two U.S. hospitals -- Mount Sinai Medical Center in New York City was the other -- to transfuse patients with recovered patients' blood plasma. The two patients transfused that night at Methodist were among those that recovered and were discharged. The therapy is based on the idea, well-documented in laboratory research, that transfusing plasma from patients who've recovered from a virus transfers its healing power. Such plasma contains antibodies made by the immune system to attack the infection. (Courtesy Houston Chronicle) This study was published in The American Journal of Pathology.

Harris County's 'Stay Home, Work Safe' Order Expired Last Week, But A New One Is In The Works And Coming Soon

Harris County Judge Lina Hidalgo

Compiled And Edited By John T. Robbins, Southern Daily Editor

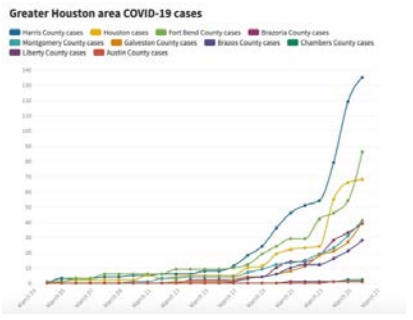
HOUSTON, Texas -- Harris County Judge Lina Hidalgo's extended "Stay Home, Work Safe" order during the COVID-19 pandemic ends today, but a new one is already in the works.

Hidalgo spoke to the media following the funeral service for George Floyd last Tuesday afternoon.

"We'll be issuing a different order after it expires. We don't want to give the impression the danger has passed. Transmission rates continue to rise. So we'll be issuing a new order in the next couple of days," Hidalgo said.

The initial order was first issued in March to help "flatten the curve" of coronavirus cases in the area. Under the order, only essential businesses were allowed to remain open. Many people began to work from home and were urged to practice social distancing.

The order was extended again in May as businesses across the state began to reopen. That order, which expired on June 10, had two sets of rules designed to ensure the safety of employees returning to work.



One set of guidelines covered public-facing workers such as retail and restaurant employees, and another set was in place for employees in the manufacturing sector.

Now that the state's reopening is well underway, it's not clear what the new order Hidalgo talked about briefly Tuesday will look like.

Also on Tuesday, the state reported over 2,000 hospitalizations, the highest number since the pandemic started here in March.

Houston mayor says city 'moving very fast in the wrong direction' as record cases reported

HOUSTON, Texas -- "We are moving very fast in the wrong direction," said Houston Mayor Sylvester Turner, who on Monday echoed disappointment about skyrocketing COVID-19 cases, not just in the city but across the state of Texas. Turner's remarks came as the city reported 1,789 new COVID-19 cases, adding to Houston's total of 14,322. Monday's total is the most the city has reported in one day so far.

"There were 1,789 new cases (over last Sunday and Monday.) So this is, this is very real. This is a healthcare crisis. And quite frankly, your failure, for example, to wear masks and or to engage in social distancing directly impacts on somebody else," said a clearly exasperated mayor.

Miya Shay

Mayor @SylvesterTurner & other city officials sound very frustrated. They are seeing massive spike in #covid19 cases, and have little power to slow the spread. #abc13 live coverage: https://abc13.com/health/houston-mayor-weighs-in-as-texas-reaches-record-cases/6260232/ …36

3:26 PM - Jun 22, 2020 Twitter Ads info and privacy 38 people are talking about this

---

The mayor's remarks came shortly after Gov. Greg Abbott called the rate at which COVID-19 is spreading "unacceptable." The rate was 4.5 percent in May. In June, it's 9 percent. As of Monday, the state counted 114,881 cases.

In addition, Texas counted more than 3,400 coronavirus patients in hospitals. There were 162 new patients reported Monday, which marked another record for the 10th day in a row.

For Turner's Houston, hospitalizations, as well as deaths, are rising. Turner counted five more deaths in the city, bringing Houston's death toll from the coronavirus to 196.

Turner impressed upon the importance of mask-wearing on the first day of a mandate directing all businesses and customers in Harris County to wear face coverings.

Still, Turner didn't hide his frustration over what he can do to stop the spread through enforcement.

A newspaper ad from the 1918 Spanish Influenza Pandemic

"It has been taken away from us," said the mayor, noting that local officials can no longer mandate restaurant and bar capacity, among other crowd control measures that has been effective in flattening the curve of COVID-19 during April and May. Once Abbott began issuing statewide orders about the opening and closing of businesses, local elected officials no longer had control.

"I thought we opened too fast," said Turner, a sentiment shared by Harris County Judge Lina Hidalgo, and a number of local medical experts.

Now, local officials basically just have the power of persuasion to get Houstonians to comply with social distancing and mask-wearing requests.

"I don't want the city of Houston to end up in a shutdown mode, because our hospitals are being overwhelmed and people are dying," Turner said. "And that's what people are seeing all over all over the country. That's not what we want in the city of Houston." (Courtesy abc13.com)

陳凱琳晒孕照 賀29歲生日

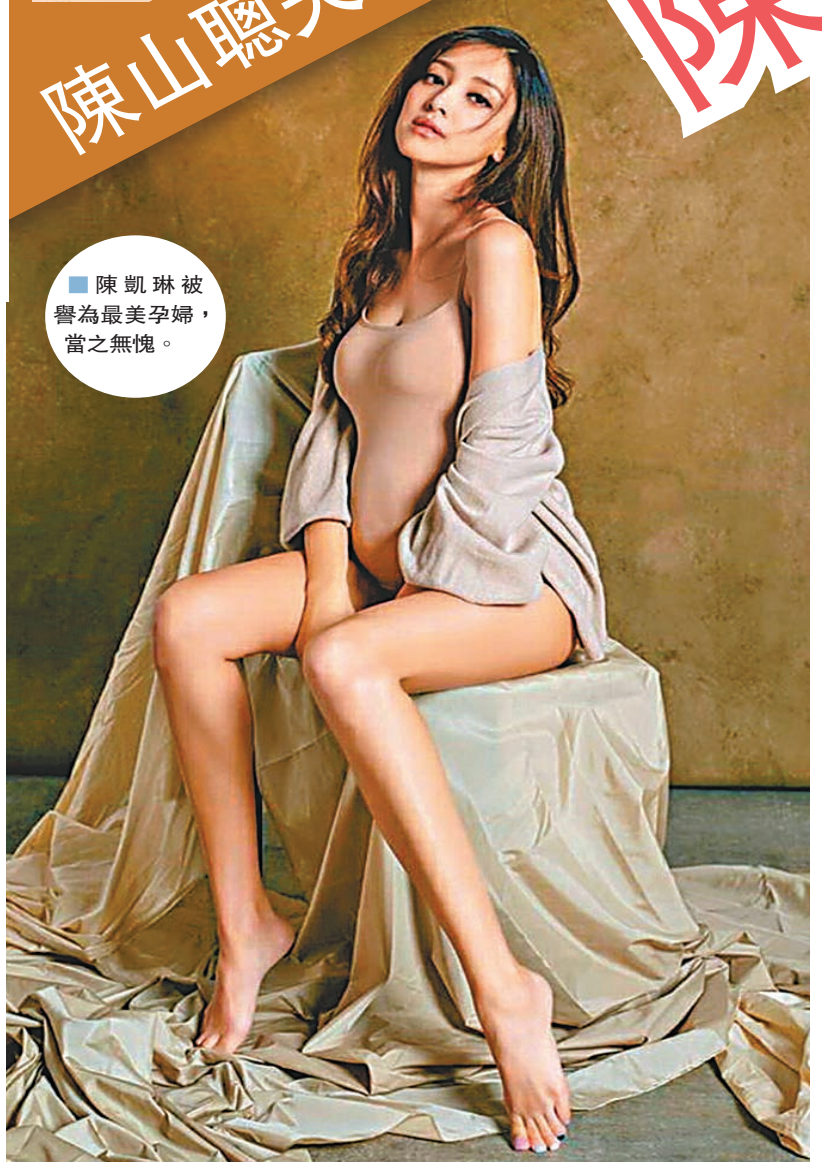
陳山聰夫婦拍寫眞留美好回憶

香港文匯報訊（記者 文芬、梁靜儀）近期娛樂圈好事成雙，繼余文樂與王祖藍於父親節宣布再當爸，鄭嘉穎太太陳凱琳（Grace）與陳山聰太太Apple（何麗萍）亦不約而同晒出懷孕寫眞，齊齊印證了“懷孕的女人最美麗”之說。陳凱琳拍這輯懷孕寫眞是作為送給自己29歲的生日禮物；至於Apple則是為了留下美好的回憶。

■陳山聰結婚1年就做父親，十分有效率。 網上圖片

■陳山聰與太太皆期待小寶寶來臨。 網上圖片

■陳山聰準備好榮升爸爸。



■陳凱琳被譽為最美孕婦，當之無愧。

■陳凱琳大腹便便，但手腳依然幼細。 網上圖片

■杏兒兩個囝囝遺傳表演基因，勁可愛。 網上圖片

■胡杏兒在疫情下依然有廣告拍，十分感恩。

陳凱琳23日29歲生日，正懷有第二胎的Grace在社交網上載多張性感孕照，相中的她大腹便便，上圍豐滿，但手腳依然纖瘦，Grace這幾張照片拍得十分唯美，可惜是老公鄭嘉穎沒有出鏡。Grace留言：“The Best Birthday Present，今個生日特別有意義，除了好感恩有一個這麼愛我的家，還有我們的家庭將會迎接這位小生命~~心情好緊張，好興奮，好期待！我唯一的生日願望就是希望自己、BB，和身邊這麼多位朋友都健健康康！God Bless！”閨蜜龔嘉欣更留言讚Grace是她見過最靚的孕婦，而同屆港姐蔡思貝亦有祝Grace生日快樂。何雁詩、陳嘉寶、陳山聰、林盛斌等也大讚她Beautiful，兼是“Hot Mama”！

Apple感謝好友鼓勵幫忙

另邊廂，陳山聰與太太Apple在情人節宣布造人成功，並十分期待新生命的來臨。Apple新近在社交平台貼出多張大肚寫真照，照片中她與老公先後穿上白背心以及黑色外套上鏡，雙雙面露幸福的笑容。

Apple留言：“本來一直都沒想照大肚相，到最後決定還是要拍，留住一個美好的回憶，想不到由結婚至到馬上到來的BB可以一年內完成，非常之感謝上天！非常感恩沿途身邊有很多有經驗的好朋友畀好多意見及鼓勵我，令我在這個奇妙旅程入面並不孤單，亦不徬徨！每一位好友都是說‘不要怕麻煩有問題即刻找我’，實在令我暖在心頭，感謝每一位好友！當然包括我老公！Love you all！”

“準爸爸”陳山聰在日前的父親節拿着父親節蛋糕拍照，並留言說：“是不是Super Dad都還未知，但我絕對是‘超能使者’！”

胡杏兒大仔跳《江南style》

此外，另一位媽咪胡杏兒近日則替成人護理產品拍廣告。雖然因應新冠疫情關係，工作相對地減少，杏兒很感恩依然有工作，而同時多了時間和家人相處。

提到今次為成人護理產品拍攝廣告，杏兒說：“其實尿滲是不論任何年紀，又或者生育之後的女性都可能會遇上的情況，是一個正常同普遍的問題，大家不需要覺得羞恥或者怕羞而不去面對這個事情，因為不處理的話，可能會發生更尷尬事情，大家應該用正確方法面對。”

杏兒又說：“自己一直都盡量在不開工的時候抽時間陪兩個仔，珍惜一家人相處的寶貴時間。”

杏兒經常將仔仔搞笑的一面拍下來，跟大家分享：“其實我們拍了好多仔仔的片，大家見到我post的只是百分之一，相信每個家長都會這麼做，希望留下多點小朋友的回憶；同時好感恩大家喜歡Brendan同Ryan，兩兄弟性格好不同，但一樣是happy baby，帶好多快樂給我們，所以有時share出去是希望將這份快樂傳遞給大家。例如最近Brendan（大仔）不用返學，留在家裡少不了多看幾眼電視，近排他學識跳《江南style》，又識跟拍子同擺pose，可能真是遺傳了我的基因，哈哈！”

明年金球獎延至2月底

香港文匯報訊 受到新冠疫情影響，繼奧斯卡金像獎2021年第93屆頒獎典禮延至4月舉行後，金球獎也將由傳統上的1月初延至2月28日舉行。

金球獎主辦單位好萊塢外籍記者協會（Hollywood Foreign Press Association, HFPA）23日發布聲明說：“將在未來數周公布參選資格、投票期限以及修正後的入圍名單公布時間。”今次新冠疫情已對好萊塢電影業造成破壞性影響，電影院不開門、製片中斷，片商也須延後發行日期。主辦奧斯卡獎的美國影藝學院（Academy of Motion Picture Arts and Sciences）早前宣布，明年的奧斯卡頒獎典禮將從原定的2月28日延後8周，改至4月25日舉行。這項決策引發骨牌效應，英國影藝學院電影獎（BAFTA）和獨立精神獎（Film Independent Spirit Awards）也跟着順延。

據悉，2021年第78屆金球獎頒獎典禮，將由《娛樂搶Fit人》女星天娜菲(Tina Fey)、美國女演員Amy Poehler主持。

■繼奧斯卡金像獎之後，金球獎亦宣布要押後舉行。

復出拍劇有壓力 元斌推400億韓圜鉅製

■元斌推劇，令粉絲大失所望。 網上圖片

香港文匯報訊（記者 依江）20年前憑韓劇《藍色生死戀》紅遍亞洲的42歲韓星元斌，近日謝絕演出總製作費超400億韓圜的電視劇《不可殺》。該劇集是由《陽光先生》的導演張英宇執導、《客：The Guest》的編劇權素拉執筆的16集劇集，講述在600年裏女主角反覆死去和轉世，而男主角未曾經歷死亡，成為了“不可殺”的男人的故事。

元斌於2015年與小一歲女星李娜英奉子成婚，不久一索得子，二人榮升父母後一直保持低調，而元斌更是自2010年的影片《殺手代父》之後未再有下一部作品。

據悉，在接到《不可殺》演出邀請後，元斌方曾進行內部商議，業內本亦有傳他很可能接拍該劇，惟因對以電視劇作品回歸的形式感到有所負擔，而且粉絲對元斌期待值很高，他無法輕易選擇作品，最終還是放棄。

元斌於1997年拍劇出道，2000年拍攝經典劇《藍色生死戀》而爆紅，不過之後就專注拍電影，對上一次拍劇已是2002年的日韓合資短劇《Friends》，因此可以說是長達近20年未有拍過韓劇。而近年元斌就僅以拍廣告吸金，不過依舊夠生活。

蘇姍享受網上開秀

■蘇姍表示自己做任何演出，要求都好高。

香港文匯報訊（記者 李思穎）蘇姍和嘉賓主持楊立門22日晚舉行網上音樂會《星級靚聲演唱廳》，兩人獻唱不同年代的中、英文金曲，並合唱《鐵血丹心》和《Tonight I celebrate my love》，更開放網上互動點唱環節，蘇姍指現場有隊很好的樂隊，大家對音樂都好有心。

蘇姍之前都有試過做一個長達3小時網上直播，她自言不論是實體或網上演出，一樣要求好高，沒要求反而易出錯。她透露樂師們在疫情下失去很多工作機會，加上對演出好有要求，故特意請來自己的樂隊班底，亦藉此向全世界傳遞愛的訊息。

自中超面世以來，中國球壇一直為洋帥主導，納比、史高拉利、波亞斯以至簡拿華路等名帥相繼登陸中超，不過近年中國本土教練逐漸抬頭，李霄鵬連續兩年獲選為中超最佳教練，李鐵亦擔起國足主帥的要職，而另一名宿鄭智亦將由恒大一隊助教起步，加強對本土教練的培訓及提拔，對中國足球長遠而言絕對有利。 ■香港文匯報記者 郭正謙

本土教練中國漸抬頭

鄭智踢而優則教

自中超成立以來，隨着各支球隊擁有更多的資金及資源，具名氣的洋帥一直是不少球隊追逐的對象。不過除了當中少數能交出與名氣相符的成績，不少外國名帥均因“水土不服”而黯然離開。近年中國球壇開始加大對本土教練的培養及提拔，並已開始見到成效，李霄鵬及李鐵成功站穩陣腳，前者連續兩年獲選為中超最佳教練，而後者亦得到委以重任在國足擔任主帥。

剛年滿40歲的鄭智亦即將加入“踢而優則教”的行列。這名中場指揮官曾代表國家隊出戰108場，効力廣州恒大期間8奪中超錦標及兩次亞冠盃冠軍，而他自己更在2013年獲選為亞洲足球先生。新一季鄭智將以恒大一隊助教的新角色出現，不過會否就此掛靴則尚未有定案。

獲恩師納比大讚可成名帥

上季季尾鄭智曾在簡拿華路深造期間出任代理主教練，以他在中國球壇的聲望及經驗絕對有潛質成為本土教練的後起之秀，其恩師納比亦曾大讚他有成為名帥的潛力：“鄭智對戰術理解很出色，作為球員在中場攻守兼備，有着清晰的思路，相信他退役後會成為很出色的教練。”

憑着深厚的財力，中超成立以來吸引了不少極具名氣的教練及球星來投，對提升聯賽整體水平有一定幫助，不過要真正改善國足的能力及戰績，將資源投放在本土教練及球員才是治本之策。近年各支中超隊伍的政策已有所改變，本土球員獲得更多重用，而本土教練的機會亦有所增加，只有他們能夠在中超擔起大旗甚至衝出亞洲，國家隊水平才有望穩定提升。

鄭 智

富力攜手流浪發展青訓梯隊

香港文匯報訊（記者 黎永淦）港超球會富力R&F宣布，與自由人結束3年合作關係，今後將改與流浪發展青訓梯隊。

富力22日宣布：“富力（香港）足球有限公司從即日起與自由人足球發展有限公司的青訓合作暫告一段落，我會衷心感謝自由人各位朋友的辛勤付出。合作三年來，自由人通過各級梯隊的組建鍛煉了不少有足球理想的本地青年球員，為富力R&F合共輸送了8位菁英新秀。”

“在未來的新階段，我會繼續發展（香港）本地足球和培養更多本地青年球員的初心不改，雙方將以新的方式繼續合作。展望新賽季，我會的各級梯隊組建將會與流浪足球會開展合作。通過更完善的訓練安排，我會將與流浪足球會一起繼續不遺餘力地發展香港青少年足球培訓，致力促進本地足運的發展。”

由於今季除港超以外的賽事均已取消，青年聯賽將於新球季才會再次舉行，足總也有計劃改革青年賽事，以免強弱懸殊的情況持續。新構思是將港超球會青年軍集合一個聯賽，命名為“青年超級聯賽”，希望最好的球員都加盟港超青年軍。以往的青年聯賽按成績分為甲、乙、丙組，超聯和地區球會混合一起比賽，但因彼此投入資源差距甚大，不時出現大比分的情況。

遼籃意外負廣州 CBA復賽兩連敗

CBA聯賽（中國男籃職業聯賽）遼寧隊與廣州隊23日迎來復賽後的第二場較量，遼寧男籃最終以102：106不敵廣州，遭遇復賽後兩連敗。比賽中，遼寧方面郭艾倫砍下32分，梅奧首秀獲得28分，廣州方面陳盈駿則拿下29分6籃板助攻。

首節比賽，遼寧隊在開局階段狀態慢熱，導致球隊早早以6：20落後。此後遼寧隊走上正軌，郭艾倫連拿6分稍稍止血，梅奧也在隨後連拿4分。不過廣州這邊進攻依舊犀利，首節結束時仍然以30：18領先。

次節比賽，遼籃狀態迅速回暖，外援梅奧兩次快速反擊中一人獨砍10分。遼寧憑借22：10的攻勢一舉反超。半場戰罷，兩隊戰成46：46。

第三節，開局雙方依舊僵持多次打平，後半節遼寧採取全場緊逼並收到巨大效果，廣州幾次沒過半場就被遼寧阻擊搶斷並轉化得分，遼寧一波12：5的攻勢逐漸佔據上風。

末節，廣州外線連連開花，鄭准和陳盈駿接連命中三分，遼寧則是內外結合，郭艾倫的反擊進球和賀天舉的三分又一次追平比分。後半節的決戰，梅奧和亨特兩名外援互飆三分。廣州最後時刻越戰越勇，遼寧則很難在陣地戰中得分。廣州搶下最後致命的進攻籃板並製造犯規確保勝利。全場戰罷，遼寧男籃102：106不敵廣州。 ■中新網

CBA 23日賽果

遼寧	102：106	廣州
福建	107：112	吉林
北京	90：93	同曦
廣東	119：71	江蘇
浙江	89：116	廣廈
山東	94：103	北控

中華游樂會精英網球賽下月舉行

香港文匯報訊（記者 陳曉莉）中華游樂會為協助香港精英運動員在“疫”境下保持最佳狀態，以迎接大型國際賽事復辦，在香港網球總會鼎力支持下，舉辦“中華游樂會香港精英網球邀請賽”。賽事將於7月5、7、9、11及12日於大坑中華游樂會舉行。

賽會23日舉行對賽抽籤。參加賽事的男球手分別有楊柏朗、王康傑、計維宇、Sebastian Nothhaft、劉駿軒、林政、林兆暉、以及余程昊。女球手為張瑋桓、王康怡、胡可澄、伍曼瑩、增田椎奈、吳筠柔、楊焯慧和梁翠琦。楊柏朗、王康傑、張瑋桓及王康怡皆對是次邀請賽充滿期待，不約而同地稱，雖然在過去多月都自律地進行體能鍛煉，但始終覺得只有透過落場比賽方可保持競技狀態，增加出戰大賽的信心。他們表示，會把握時間，在未來兩星期積極備戰，於比賽中爭取好成績。

“中華游樂會香港精英網球邀請賽”決賽將於7月12日下午於香港大坑中華游樂會Facebook專頁直播（https://www.facebook.com/crcopen/）。

618大促再至，阿里蒋凡迎来正名之战

2019年双十一，蒋凡首次登上舞台中央。启动发布会上，蒋凡剃掉了两侧的络腮胡，穿着西装和皮鞋，面部表情略显紧绷。他放下豪言，要帮助用户省下500亿元。

一小时破千亿，最终达近2700亿，2小时内148个品牌过亿……一串串惊艳的数字，让蒋凡的声望到达顶点。

4月初，美团王兴在朋友圈说，蒋凡如果能战胜拼多多的黄峥，那么蒋凡就会成为阿里巴巴的CEO。

半年之后，电商纷纷发力的618大促再至。但蒋凡和阿里，处境已是天翻地覆。

聪明人

王兴说，蒋凡是个聪明人。蒋凡手下某员工告诉时代财经，这也许是对他最精确的评价。

蒋凡话不多，但一开口就要说到点子上。

员工汇报工作，习惯性进行一些美化和修饰，从来逃不过他的法眼。“不知道是不是因为他做产品出身，看事情总是看本质，确实也可以很快看到本质。”

蒋凡晋升到天猫总裁后，业务导向有了细微的变化。员工晋升时，不但要说清楚自己工作获得什么业绩，还要说清楚用了什么方法，方法能否复制到别的地方。

结果重要，过程更重要，这样能把偶然性降到最低。

正如蒋凡自己过往的成功，也并不是偶然。

2010年，当中国的移动智能设备只有几百万台的时候，蒋凡就决定投身移动互联领域创业。当时，这一浪潮里还有诸多空白尚无人填补，蒋凡率先为移动开发者服务。

早年，他接受采访时说：“我的项目并不一定要面向大众消费者，更想尝试B2B市场，早期肯定会辛苦一些，但正因为这样，也容易打造竞争门槛。只要服务好这样群体，未来的商业价值也会很大。”

在阿里，很多事情的成功得益于蒋凡的推动，内部员工对其的评价甚高，“每个人都能看到从PC到移动端的趋势，但蒋凡从外部而来，却能打通阿里内部多个体系，真正让阿里这艘大船完成转向。这就是他的本事。”

当然，某些境遇依旧有几分传奇色彩。

如果没有李开复，蒋凡可能无法进入谷歌工作，更无法在创新工场孵化出友盟。

李开复在自传中的这段描写，被认为是蒋凡的故事。

“有一位本科生，面试成绩非常优秀，但当他的成绩单寄来的时候，我们的招聘委员会发现他的许多计算机课程都是60或61分。有一位资深工程师坚决反对录取他。”

“我对这位总部来的资深工程师说：这样好吗，你打个电话给这名学生，你看他怎么解释他的成绩，如果他不能说服你，你不用回来问我，我们直接拒绝他。”

“几天之后，他给我发了电子邮件：我们雇用他吧！那个学生说他们学校考试的内容和实际编程根本没有关系。于是，他每科考试都准备到仅够低空闪过的程度，就是这样，他以61分的平均成绩，得到了计算机系的本科学位。”

不能再让马云失望

“蒋凡始终保持创业者的冲劲，有敏锐的消费者洞察和产品洞察，在整个淘系无线化升级过程中起到了核心驱动作用”。阿里CEO张勇在内部公开信中如此评价他，其声望达到顶点。

但聪明人蒋凡，在生活中糊涂了一回。

糊涂的代价很大。4月17日，疑似天猫总裁蒋凡的妻子@花花董花花 微博点名知名网红张大奕，引起广泛关注。次日，蒋凡申请阿里内部调查。

随后，此事迅速从个人层面上升到了公司，变成了一场价值观之争。

4月27日，在事件发生后十天，阿里巴巴公布了对蒋凡的处罚，取消了其合伙人的身份，但并未撤销其淘宝、天猫的总裁职位。市场普遍认为，阿里巴巴的处罚高高举起、轻轻放下。

5月9日，马云在淘宝直播中称要和蒋凡讨论业务。5月17日，马云在千岛湖游玩，蒋凡是九名陪同之一。马云在游玩中放生了一条大鱼，蒋凡的脸上则带着浅浅的笑容。

从集团到马云本人，用明确的姿态公开表示了对蒋凡的支持。

蒋凡主导的例会，多安排在傍晚，他会拿些水果和坚果，大家一起吃。虽然话不多，但他不是一个严肃的人。微博的事件后，他在会上的状态有了细微的改变，话也明显多了一些。

这个618，蒋凡需要证明自己。阿里也需要一场胜利。个体和集体的命运，绑在了一起。

正名之战

5月22日，拼多多发布2020年第一季度财报。在至2020年3月31日的前12个月内，拼多多的年度活跃买家数达6.28亿。而2019年财年，淘宝天猫的活跃买家为7.21亿。

这意味着，拼多多已坐稳了中国电商第二大平台，离追平天猫淘宝只差一个身位。

更让阿里紧张的是，拼多多的一二线城市用户GMV占比已接近半数，农村包围城市之势凸显。

由此，这个618，对于淘宝天猫来说意义更加重大。

而蒋凡提前帮助淘宝天猫完成的内容体系搭建，成为了他们应对拼多多冲击的最锋利的武器。

6月1日，618的第一天，淘宝直播完成成交支付金额51亿。当天有20多个品牌、商家及主播的淘宝直播间成交超过1000万元。

有媒体直接断言，“淘宝直播的强劲爆发意味着今年618胜负已定。凭借淘宝直播创新带来的巨大增量市场，天猫618成为品牌、商家上半年的最大增长机会，也是打赢疫后‘回血之战’的最大底气。”

淘宝直播正是从蒋凡主导的淘宝内容生态孕育而来。早在2018年5月，当蒋凡推动淘宝完成无线化布局之后，他就敏锐的发现直播、短视频将是电商的未来。

“我认为未来淘宝上可能90%的内容都是视频的方式来承载，包括直播。就跟当年我们觉得90%的交易会在无线上产生一样，视频内容占90%未来也很可能会发生。”

除了淘宝直播之外，有不愿透露姓名的消息源告诉时代财经，“从前期的数据看，淘宝天猫的成绩超过了预期。”

“虽然在活跃客户规模上，拼多多确实逼近了阿里，但在营收、盈利能力等其他维度看，拼多多还差得很远。而且阿里已经打造了一整套体系，现在看，拼多多还有点独木难支。”

这套所谓的体系，正是蒋凡为阿里做出的最大贡献，也是马云选择在关键时刻力挺蒋凡的最大原因之一。

今年618的活动，对蒋凡或许意义重大——这可能决定着下次马云再去千岛湖时，是否还会再带上他。

阿里曾投资5000万拉了美团一把 为何王兴却说马云诚信有问题？

我们都知道一旦一个人在事业上有所成就以后就会扩大自己的社交圈并且会结交各种各样的新朋友，同时也免不了会树立不少敌人。创建了阿里巴巴的马云在互联网领域的地位毫无疑问是非常高的，很多的同行都愿意与马云结交。然而美团的王兴却并不是这样想的，王兴对马云的敌意还是比较大的，那么究竟是什么原因导致了这位美团的创始人这样抵触马云呢？

王兴对此的解释则是他认为马云是一个有诚信问题的人。但是据大家的了解在美团遇到困境的时候阿里巴巴以及马云都在关键的时刻帮助了美团，究竟是什么愿意导致了王兴如此的反感自己的“恩人”呢？大家不要急，今天就让小编来为大家解释二人之间究竟发生了什么。

王兴是在二零一零年的三月四日创建了美团网。一开始美团的目的就是要让消费者们能够在美团这个平台团购各种吃喝玩乐的项目。这一点上美团和阿里巴巴还是有一点相似的，阿里巴巴是我们国内的电子商务的开创者，而美团则是线上生活服务的开创者。美团在起步的时候我们中国还是处在了使用现金来进行交易的年代，因此美团一开始的发展并没有很顺利，当时的时代一下子也不会接受美团这种新兴的网站。

美团在前几年的时候名气也不是很大，与此同时美团的投入也是很高的，并且还非常难做到高盈利。但是就是在这个时候马云看到了美团的潜力，不久就给了美团五千万的资金，这笔资金也帮助了美团能够在二零一二年的时候成为了同类软件的佼佼者。

但是之后没有过去多久美团和阿里巴巴之间就出现了矛盾。阿里巴巴一直都有在支持美团的发展，不过阿里巴巴也想要得到一些利益，那就是巩固支付宝的地位。为此马云特地去找了王兴表示自己想要加强对于美团的投资，前提条件就是美团产品在进行支付的时候只能够用支付宝。

王兴对于马云这样的要求非常不满，他认为用户有自己的权利去选择使用哪一种方式来进行支付，并不应该去限制消费者们的支付方式，因此王兴直截了当地拒绝了这个提议。这样的做法其实就是要稳住支付宝的地位，但是对美团却是不利的。阿里巴巴与美团也就因为这件事情结下了梁子，而后美团更是将绑定支付宝的渠道取消了，但绑定了支付宝的用户是能够继续用支付宝的。

美团在二零一五年的时候选择与腾讯合作，并且还合并了大众点评，腾讯在美团公司当中的地位比阿里巴巴还要高，这就让阿里巴巴十分不满了。阿里巴巴也不愿意和美团合作而是选择了饿了么，直接与美团的老对手站在同一战线了，这在王兴看来，马云的决绝颇有点不讲诚信。看来这一次两家是彻底闹掰了。

澳洲移民疫情后的政策有没有重大调整

澳洲目前的疫情防控成效非常显著，而且在疫情结束后，澳洲很有可能会呈现新的局面。对此，我们不难看到澳洲当前的疫情政策在一段时间的停滞之后，也出现了一些新的变动。在前一段时间，澳洲代理移民部长塔奇在《悉尼晨锋报》的采访中针对今年是月份的财政预算，提出了自己关于“永居性移民计划”的相关想法。

对于重新设置永久移民这一计划，莫里森在去年10月份对此进行了深入的探讨，并认为这可能是重新振奋澳洲经济，加强技术移民和家庭移民的重要调整。同样，此前澳洲有多位高级官员，对于疫情后的移民政策进行了探讨。其中，总理与内阁部前部长帕金森曾提出希望现在的政府能够积极推动技术移民，并全力保障技术移民顺利开展。对此，代理移民部长塔奇还曾表示过推动移民计划的开展，现在可能为时过早，但是积极推动移民计划将是我们必须要进行的一项政策改革。他还曾表示“我们要重新设置永久性移民的数量及要求。”目前，澳洲政府还没有正式确定移民人口的数量，也没有确定这些配额的分配及分布情况。对此，需要针对内阁预算公布的一些情况，进行分配，原则上技术类移民和家庭类移民的配比额将会坚持1/3和2/3的配比。

除此外，代理移民部长塔奇还都认为现在积极开展移民政策的调整是非常有必要的。他曾指出，澳洲在未来一段时间内很有可能成为最受大家欢迎的地方，因为因为国家现在的新冠疫情情况非常的严峻，而澳洲在疫情防控方面所取得的成就则相较较为突出。所以，澳洲则更有可能吸引到全球各地的技术人才！全球人才独立计划主要是针对一些行业人才，主要包括农业、采矿、医疗、网络、金融、制造业等各个行业。而且对于行业人才，澳洲政府会出台一定的限制，其中的主要要求有：申请人必须有足够的能力每年获得14.9万澳元及以上薪水。根据当前的《信息自由法》，内政部曾发布官方声明，系统统计了当前的签证情况：截至到今年的1月30日，澳洲官方的全球人才独立计划已经收到了330多份申请和730多份意向书，对此，澳洲政府目前已经发放了220多份签证。为此澳洲财政部曾经预测，未来一年内的净海外移民人口数量将会出现一定的减少，甚至能够减少85%。

并且，移民人口大多会包括永久性移民和留学生等临时性移民人口。其中的净海外移民主要指的是移民到澳洲的人口和从澳洲向外移民的人口所产生的人口净损益。而且海外移民大多是指的，在澳洲居住时间超过12个月的人，他们既可以是留学生，也可以是来澳探亲，或短期技术工人等等，而海外移民人口的数量配额将会与每个财年的永久性移民配额有所差别。对此有官方数据显示，2018~2019年澳大利亚的净海外移民人口数量为239,600人。如果按照预估，未来一年澳大利亚的净海外移民人口数量减少85%，则意味着进海外移民人口数量只有约3.6万人，将会成为近几十年来澳大利亚海外移民人口数量的最低水平。

真的需要情的发生很多人会担心，如果近海外移民人口数量真的下降85%，那对于澳洲的经济会不会产生很大的影响？针对这一问题，代理移民部长艾伦·塔奇曾进行过公开说明：“不可否认的是，移民经济对于澳大利亚的总体经济有着非常重要的影响。甚至可以说澳大利亚是建立在移民之上的一个国家，澳大利亚有2/3的人口都是移民来的，而人口增长又会带动澳大利亚本地的GDPGDP和人均GDP的增长。当然澳大利亚政府在推动经济政策时，也会考虑到这些相关因素。”所以，综上所述，我们可以用一句老话来总结，那就是“移民要赶早”。正是因为目前澳洲移民政策的不断调整，所以大家一定要尽早去查阅和咨询相关的一名政策，规划好自己未来的移民发展。
