Trump's popularity is slipping in rural America: poll

U.S. President Donald Trump talks to the media on South Lawn of the White House in Washington before his departure to Greensboro, North Carolina, U.S., October 7, 2017. REUTERS/Yuri Gripas

(Reuters) -

Outside the Morgan County fair in McConnelsville, in a rural swath of Ohio that fervently backed U.S. President Donald Trump in last year's election, ticket seller John Wilson quietly counts off a handful of disappointments with the man he helped elect. The 70-year-old retired banker said he is unhappy with infighting and turnover in the White House. He does not like Trump's penchant for traveling to his personal golf resorts. He wishes the president would do

In September, 47 percent of people in non-metro areas approved of Trump while 47 percent disapproved. That is down from Trump's first four weeks in office, when 55 percent said they approved of the president while 39 percent disapproved. The poll found that Trump has lost support in rural areas among men, whites and people who never went to college. He lost support with rural Republicans and rural voters who supported him on Election Day.

more to fix the healthcare system, and he worries that Trump might back down from his promise to force illegal immigrants out of the country.

"Every president makes mistakes," Wilson said. "But if you add one on top of one, on top of another one, on top of another, there's just a limit." Trump, who inspired millions of supporters last year in places like Morgan County, has been losing his grip on rural America. According to the Reuters/Ipsos daily tracking poll, the Republican president's popularity is eroding in small towns and rural communities where 15 percent of the country's population lives. The poll of more than 15,000 adults in "non-metro" areas shows that they are now as likely to disapprove

of Trump as they are to approve of him. And while Trump still gets relatively high marks in the poll for his handling of the economy and national security, rural Americans are increasingly unhappy with Trump's record on immigration, a central part of his presidential campaign. Forty-seven percent of rural Americans said in September they approved of the president's handling of immigration, down from 56 percent during his first month in office. Poll respondents who were interviewed by Reuters gave different reasons for their dissatisfaction with the president on immigration. A few said they are tired of waiting for Trump to make good on his promise to build a wall along America's southern border, while others said they were uncomfortable with his administration's efforts to restrict travel into the United States. "There should be some sort of compromise between a free flow of people over the border and something that's more controlled," said Drew Carlson, 19, of Warrensburg, Missouri, who took the poll. But Trump's "constant fixation on deportation is a little bit unsettling to me." The Trump administration would not comment about the Reuters/Ipsos poll. tropical storm-force winds on Saturday evening, it said. Currently a Category 1 hurricane, Nate was 105 miles (170 km) south of the mouth of the Mississippi River on Saturday afternoon and moving at a rapid 25 mph, the NHC said.

Houston fire chief set to outline equipment needs in wake of Harvey

Robert Downen,
Houston Chronicle

Houston Fire Chief Sam Peña is expected to call for an increase in equipment and resources for his department Tuesday at City Hall in wake of Hurricane Harvey. Peña's 10 a.m. appearance in front of the Public Safety and Homeland Security Committee follows a Houston Chronicle investigation that found the department's limited equipment and training caused problems during Harvey. The department had only one high-water rescue vehicle during the storm, the Chronicle found, and relied on decades-old evacuation boats. All told, firefighters conducted 7,000 rescues and answered more than 15,000 calls for help during the storm. But, the Chronicle investigation found, the department also faced equipment shortages, out-dated resources and a shortage of firefighters trained specifically for high-water rescues. Peña, who took over the department in December, has defended the response from his department, but also acknowledged that Harvey had exacerbated long-standing issues. "Harvey punched us in the mouth," Peña told the Chronicle. "No municipality is ever going to have the number of resources to be able to respond to a catastrophic incident the size of Harvey. But we know the anticipated risk in this community. We know that the 500-year flood is going to come again next year ... We don't have the adequate resources to address even the expected risk in this community."

Office Space For Rent

Locate in China town area, our ready-to-work Executive Office Suites give you the privacy to focus, get work done, and meet with your clients in a professional space. You get much more than just a private workspace - all office includes conference room time, high speed internet, phone line, and reception! Whether you select a furnished office or bring your own furniture, we have the perfect office space for you.
Price from 500.00 to 2400.00 per month, please call our International Trade Center office at: 832-448-0190

Wall Street recedes from highs as quarterly reports loom

By Noel Randewich

Wall Street fell from record levels on Monday as gains in Microsoft and other technology stocks failed to offset a drop in General Electric and a slide in healthcare stocks. The S&P healthcare index .SPXHC moved 0.67 percent lower, weighed by a 3.61-percent slide in

Medtronic (MDT.N) after the medical device maker warned that its quarterly profit would be impacted after Hurricane Maria hit its operations in Puerto Rico. The S&P 500 has rallied 14 percent in 2017 and last week hit record highs, buoyed by strong company earnings and enthusiasm that President Donald Trump will cut corporate

taxes. Overall, earnings at S&P 500 companies are expected to have increased 4.8 percent last quarter, according to Thomson Reuters data, down from the double-digit growth recorded in the first two quarters of this year.

Health officials in Texas will be on watch in coming weeks for any increases in mosquito-borne diseases including the West Nile and Zika viruses after Harvey's heavy rains and flooding brought water that filled ponds and ditches and crept into trash and debris that piled up.

"We're not out of the woods. I still think we don't really know what we're going to see, so that's why we've got to monitor it," said Dr. Peter Hotez, dean of the National School of Tropical Medicine at Baylor College of Medicine in Houston. "The next month is going to be the critical time," he added.

Officials are hopeful, though, that aerial and ground spraying done after Hurricane Harvey made landfall on Aug. 25 will help ensure that populations don't swell. The Texas Department of State Health Services said more than 7 million acres (2.8 million hectares) were sprayed by plane across areas inundated from Harvey.

"It looks like they've gotten pretty good results," said health department spokes-

Homeowner Sohail Soomro dumps flood damage debris on his front yard in the aftermath of Hurricane Harvey at the Canyon Gate community in Katy, Texas. Health officials in Texas will be on watch in coming weeks for any increases in mosquito-borne diseases including West Nile virus and Zika after Harvey's heavy rains and flooding brought water that filled ponds and ditches and crept into trash and debris that piled up.(AP Photo/Matt Rourke, File)

Health Officials Watching Mosquitoes Closely In Texas After Harvey

man Chris Van Deusen, adding, "Hopefully it will prevent any kind of uptick." Of particular concern is West Nile. Texas trails only California this year in the number of cases of the virus, which is transmitted from infected birds to humans by the common Culex mosquito. Most people don't develop any symptoms, but those who do may have fever, headache, vomiting and diarrhea. In rare cases, people develop severe illnesses such as encephalitis and meningitis, which can be deadly. Texas has had at least 100 human cases this year, including three deaths.

While there's currently no evidence of ongoing transmission of mosquito-borne diseases including Zika, dengue or chikungunya in Texas — all three spread by the Aedes aegypti mosquito — officials are watching on guard for any emergence. That could happen if someone who had traveled to a place with active cases got the disease, returned to Texas and was bitten by a mosquito that in turn bites and infects someone else.

Van Deusen said that after a brief reprieve as heavy rains and floods from Harvey washed away mosquito eggs, "nuisance" mosquitoes emerged. Those don't typically carry disease but can have an impact on recovery efforts by swarming people as they clean up and repair. Any remaining standing water is an issue because Culex mosquitoes tend to lay eggs in larger areas of still water like ponds and ditches, while the Aedes usually breeds in small water-filled containers near homes.

"So all of that debris and trash that you see around Houston as the floodwaters recede, there's going to be pockets of water in there — old discarded TV sets, old discarded tires — and that could easily lead to an increase in Aedes aegypti," Hotez said. As expected in the Houston area, an increase in mosquitoes came about two weeks after the storm. But Dr. Umair Shah, executive director of Harris County Public Health, said officials were able to get those numbers down with aerial and ground spraying.

"We're pretty confident that the combination of everything we've done has reduced the risk of mosquito-borne disease in our community, especially for West Nile vi-

rus. But we don't know if that risk will return if we have an increase in mosquitoes over the next several weeks and that's something that we are going to continue to monitor," Shah said.

Dr. Peter Hotez, dean of the National School of Tropical Medicine at Baylor College of Medicine in Houston says, "The next month is going to be the critical time", for mosquito monitoring in the Houston area.

Sven Rodenbeck, chief science officer of the Centers for Disease Control and Prevention's hurricane response, said there's a potential for upticks in mosquito-borne diseases after hurricanes, so "that's why you normally do monitoring and as appropriate do mosquito control activities."

In the U.S. mainland, Florida and Texas are the only two states that have seen local transmission of Zika, which can cause brain damage in babies whose mothers are infected when pregnant.

Officials in Florida, where Hurricane Irma hit two weeks after Harvey, are also closely monitoring for mosquito-borne diseases and have increased spraying in several areas. Florida also currently has no ongoing transmission of Zika, chikungunya or dengue, and this year has only had one locally acquired case of West Nile.

Health officials in both states say residents need to stay vigilant by using mosquito repellent, wearing clothing that covers arms and legs, and draining standing water.

"There's only so much that government and public health and mosquito control can do," said Shah, adding, "It really is a partnership with our community." (Courtesy abcnews.com)

Deaths Of 2017 From West Nile Virus

California State public health officials on Friday confirmed the first deaths in 2017 from West Nile virus.

Three Southern California residents are the first confirmed deaths of 2017 from West Nile virus, state public health officials said Friday.

The deceased lived in Kern, Los Angeles and San Bernardino counties. For reasons of confidentiality, the California Department of Public Health does not provide additional patient details, such as their gender, race, age, day of death or names of hospitals that provided care.

But the San Bernardino Sun reported that county health officials described the victim there as an elderly man who lived in the western part of the county and suffered from serious health problems.

That's not an uncommon description for such a victim.

"West Nile virus can cause a deadly infection in humans, and the elderly are particularly susceptible," CDPH Director and State Health Officer Dr. Karen Smith said in a statement.

"August and September are peak periods of West Nile virus transmission in the state so we urge everyone to take every possible precaution to protect themselves against mosquito bites."

As of Friday, the state has reported 87 human cases of West Nile virus from 13 California counties this year. Additionally, 239 dead birds from 30 counties have tested positive for the virus in 2017, and 2,284 mosquito samples from 24 counties have also tested positive for West Nile virus this year.

The numbers of West Nile virus positive dead birds and mosquito samples are below those at this same time last year, but the number of positive mosquito samples

exceeds the state's most recent five year average.

California has reported 87 human cases of West Nile virus from 13 California counties this year.

West Nile virus is influenced by many factors, including climate, the number and types of birds and mosquitoes in an area, and the level of West Nile virus immunity in birds. The virus is transmitted to humans and animals by the bite of an infected mosquito. The risk of serious illness to most people is low. But some people — less than one percent — can develop serious neurologic illnesses such as encephalitis or meningitis.

Public health experts say anyone age 50 or older and those with diabetes or hypertension have a higher chance of getting sick, and are more likely to develop complications. (Courtesy <http://www.mercurynews.com/>)

Garden Club of Houston bulb mart helps
get the city blooming again

By Melissa Aguilar

Spring-blooming bulbs are like buried treasure. Each fall, gardeners put prized daffodil, crocus, snowflake and ranunculus bulbs in the ground and await the beauty that will emerge. Some varieties will naturalize in the Houston garden. Other bulbs, including tulips and Dutch hyacinth, demand a bit more care. They need a six- to eight-week stint in the refrigerator to simulate winter before they can be planted. Regardless of which bulbs you want to plant, The Garden Club of Houston's Bulb and Plant Mart is the place to get them. The sale, Thursday through Oct. 14 at St. John the Divine Episcopal Church, offers time-tested varieties that work in Houston-area gardens. This year, the bulb mart celebrates its 75th year; the first sale took place on the steps of the Museum of Fine Arts, Houston, where the club created and cared for the gardens. To commemorate the anniversary, the club has created a special all-white bulb garden collection, member and volunteer Jennifer Dolman said. Club president Adele Bentsen and bulb mart chair Margaret Rotan chose early to midseason bulbs, including 'Jeanne d'Arc' crocus, 'Mount Hood' daffodil, white Leucojum and white 'Album' muscari. "We like to create examples of what you might do for the perfect container garden," Dolman said. Rotan has had her hands full preparing for the show - and dealing with house flooding after Hurricane Harvey, Dolman said. Rotan made a point to rescue her hard drive with all the plans for the mart. The Garden Club of Houston's 75th annual Bulb and Plant Mart
When: Opens 4:30-7 p.m. Thursday with

early-bird shopping and a party on the patio featuring live music and light bites. Admission is \$20. The plant sale is 9 a.m.-5 p.m.

Friday and 9 a.m.-2 p.m. Oct. 14. Admission is free.
Where: St. John the Divine Episcopal Church, 2450 River Oaks Blvd.
Speakers: Heidi Sheesley with Treeseach Farms will focus on Gulf Coast habitat plants in a presentation on Friday. Nancy Thomas, the club's horticultural award-winning member and past president of the Garden Club of America, will be featured on Saturday morning. There also will be a live butterfly tent from the Houston Museum

of Natural Science Cockrell Butterfly Center and a conservation booth with native and drought-tolerant plants. Information: gchouston.org

"She remembered how, after Ike, people came to the mart to restore their gardens," Dolman said. We will again need that burst of happiness that our spring gardens can bring. The mart will stock thousands of bulbs from domestic and international suppliers. Look for amaryllis, iris, daffodils and hyacinths as well as small bulb favorites, anemone, crocus, freesia and ranunculus. Offerings from the gardens of club members include crinums, daylilies and gingers, grown specifically for the mart. The mart isn't just about bulbs. Heidi Sheesley with Treeseach Farms will focus on Gulf Coast habitat plants in a presentation on Friday. She'll include creeping yellow Turnera, Rosa's Blush dwarf blueberry, Calico pipevine, dwarf Fairy Duster and Heartleaf hibiscus. Nancy Thomas, the club's award-winning horticultural member and past president of the Garden Club of America, will be on hand Oct. 14 at a booth dedicated to "plants that merit attention." "She has been very involved in conservation, and she sets a great example," Dolman said. If you have questions about bulbs, ask the volunteers manning the booths, Dolman said. "They are active gardeners with expertise, and you can learn a lot from them."

美南電視轉換新頻道15.3操作指南

美南國際電視網STV Channel 已由55.5 轉換至15.3，並正式擴大為十個頻道，廣大收視觀眾只要透過遙控器轉台至15.3，即可收看到美南電視節目，如果您家中的電視遙控器轉到15.3頻道，依然無法收看到美南電視，請依以下中英對照操作指南方式調整。

點選遙控器內的Menu頻道設定，重新掃描，注意智能型電視可能有一個聰明的按鈕用於設置MENU選項。通常會有廠商的LOGO標誌。尋找頻道設置選項。確認頻道是以天線收視。從MENU中，選擇數位頻道搜索（Channel Scan 或 Channel Search 或是Auto program），進行頻道掃描搜索或頻道自動設定。當電視完成自動搜索後，你會看到電視列出已有多少個頻道重新被發現。頻道重新設定過程有時可能長達一個小時。頻道設定完成後，按確認然後退出。如果頻道重新搜尋仍無法接收或是收視情況不佳，請購買天線調整最佳收視角度。如仍有相關問題，請致電美南新聞281-498-4310，聯繫Daniel。

How to complete a channel scan on your
Digital TV to add Channel 15.3

Please note: All TV manufacturers differ, so menu options, wording and other items may vary. The best way to complete the channel scan is to refer to the TV owner's manual. If that is unavailable, the following general steps should guide you through the process.

- 1.Using your television's remote control, press the Menu or Settings option.Note: a "Smart TV" may have a smart button that must be used to access the settings menu. It will generally have the manufacturer's logo on it.
- 2.Locate Channels or Tuner Set Up option.
- 3.Check the menu for an option of Antenna Type or Connection Type followed by either Antenna or Cable.
- 4.Make sure that the designated setting is Cable (based on manufacturer, alternate choices may include Digital Cable, CATV or Cable STD)
- 5.From the menu, choose Digital Channel Search (based on manufacturer,alternate choices may include Channel Scan, Channel Search or Auto program.)
- 6.Allow the TV to complete the search. You will see a bar listing how many channels have been found. The process may take up to an hour.
- 7.Once complete, confirm the menu prompt, then press an exit or quit option.

18禁了啦！ 熊熊练舞喷汗「白背心透肤」

拥有「G奶女神」封号的熊熊（卓毓彤），毫不吝啬地分享自己姣好又性感的身材，再加上她清纯的脸庞和傲人的上围，是不少粉丝心目中的完美女神。最近，她安排课程练习跳舞，没想到短短30秒的动作，就让她练了足足1个小时才成功，眼看她香汗淋漓，白色的小可爱被浸到有点透肤，网友看了狂喷鼻血，直呼「真的湿了！」

为了让自己更加精进，熊熊平时除了上综艺节目之外，私底下还会报名舞蹈课程，她透露自己非常羡慕舞蹈厉害的人，希望能透过舞蹈课改变自己的肢体障碍，也因为如此，这个目标成为了她目前的小梦想，希望能练会一支可以表演的舞。

不过，因为熊熊是舞蹈新

手的关系，多少会碰到难关，没想到才短短30秒的动作，她就练了1个小时左右，直呼「难怪练舞的人都不会胖，30秒的动作，练了一小时，汗如雨下～湿答答」随后还上传了一张美照。

可是，照片中扎起俐落马尾的熊熊，可以看到她已经汗流浹背，头髮都被汗水黏成一根根，而往下看，她白色的小可爱已经被浸到湿透，甚还有点透肤，丰满的上围呼之欲出，非常性感。

网友也都看得目不转睛，纷纷留言「真的超兄！眼睛看哪？这不是问题，该看哪就看哪！但要心怀感激！」、「我的眼睛是要看哪裡」、「穿这洋练舞，别人能专心吗？」、「放大看～真的湿了…」、「那双巨峰」。

小S又喝多直播醉态？ 妈妈大S齐解释：因追孙俪新剧

据台湾媒体报道，无厘头的小S常在SNS晒出日常生活视频，不怕粉丝看到她喝茫糗状。姐姐大S却几乎没怎麼发文，微博也鲜少更新，更遑论让大家看到她喝醉的模样，倒是老公汪小菲较常po文。S妈表示：“大S跟大姊都低调，小S最活发，如果3个女儿个性一洋就不有趣了。”大S则说：“小S就是直播狂魔，没人阻止得了！我最近在瘦身，暂时戒酒。”

大小S都已为人妻为人母，大S近来淡出屏幕，生活重心放在汪小菲和一对儿女

身上，小S仍活跃于演艺圈，今年推出电影《吃吃的爱》，年底还要出专辑，内地工作邀约也没断过。小S昨疑似又喝茫，S妈解释：“小S没喝茫啦，她昨天跟我喝了一点小酒，因为很想演孙俪在六居《那年花开月正圆》的角色。我不会念她，反正就在家要宝开玩笑，但我会叮咛她不要太over。”大S则表示，她和小S最近都在追孙俪的戏，姊妹俩一直讨论谁演得好，所以小S才会借著酒意大过戏瘾，疑似为妹妹解释。

对餐盘都嘴卖萌俏皮可爱 杨丞琳拍戏间隙吃早餐

10月9日，杨丞琳微博晒出一张照片，配文：“拍戏中间没我的戏，趁著空档吃个早餐吧，开薰。”

照片中的杨丞琳对着一盘早餐嘟嘴卖萌，

俏皮可爱。

网友见此纷纷留言：“为杨丞琳疯狂打电话！”“哎呀呀！要吃早饭呀！不然你胃又不好了！”“我今天9点起也吃的早餐！”

范玮琪睡狂露逆天美腿 短裤熟睡被黑人出卖

据台湾媒体报道，歌手陈建州（黑人）与范玮琪（范范）结婚多年，生下双胞胎儿子飞飞、翔翔，一家4口生活幸福美满。经常分享生活点滴的他，8日傍晚在社交账号上发文，晒出一张老婆抱着孩子熟睡的床照，引来粉丝调侃，“准备跪键盘”，而他出卖老婆睡姿的同时，女方一双纤细长腿，也意外成为众人关注焦点。

陈建州8日傍晚发文，出卖范玮琪熟睡时的模样，配文写道，“这种天气最好睡了~~~。”画面中，只见范范穿着轻便白T，搭配运动短裤，躺在床上抱着儿子飞飞一起熟睡，随兴将腿展开成“n字型”，似乎一点都没察觉睡相全被老公拍下，呈现出私下真实的一面，而她抱着孩子睡着的样子，也被赞十分温馨有爱，融化众人。引人注意的是，范玮琪穿着短裤，被拍下的熟睡床照中，不仅展现豪迈睡姿，一双细长又白皙的逆天美腿，也瞬间成为网友关注的焦点，引来大票粉丝狂赞，“腿超长”、“长腿妈妈”、“范范好美”。而黑人出卖老婆睡相后，也引来不少人开玩笑亏，“有人要被打了”、“妈妈会生气吧~劝你快溜”、“黑人哥，范范在你后面很火”、“老婆应该会想杀了你哈哈”，意外引发不少讨论。

林心如这样就好 负面新闻首晒照：

前阵子林心如深陷各种负面新闻，包括与周杰的吻戏、慈善晚会无捐款等事件，令林心如人设瞬间崩塌，事后林心如也发文回应并关闭评论，

事隔一个月左右，林心如在网上晒出一张剧照，并配文：“这样就很好”。

照片中，林心如坐在草地上，单手托着下巴，正认真看书，悠然自得。

网友们也纷纷留言支持“高兴就好，不要想太多啦！”“自己开心最重要，支持你。”“平凡生活的最高境界就是这样了。”“加油，老大。”

眾叛親離！好萊塢巨鱷被自家公司開除 哈維韋恩斯坦深陷性騷擾醜聞 恐被行業拋棄

好萊塢著名獨立制片公司韋恩斯坦董事會日前宣布，公司創始人之壹哈維·韋恩斯坦已被開除，立即生效。這位深陷性騷擾醜聞的好萊塢巨鱷在美國娛樂行業的前景也蒙上了壹層陰影。

據外媒報道，解雇哈維·韋恩斯坦的決定是由董事會投票之後作出的，該公司董事會

同時決定哈維的職務暫時由他的弟弟鮑伯·韋恩斯坦和公司COO大衛格拉瑟接手。根據《紐約時報》最先發布的報道，電影制作人哈維·韋恩斯坦數十年來對多名女性員工進行性騷擾。

包括演員艾什莉·賈德以及多名前女性員工都發聲證實了報道，引發壹片嘩然。韋恩

斯坦董事會於當地時間上周五下午才對外宣布：哈維·韋恩斯坦“無限期”休職離開公司，並對相關醜聞展開獨立調查。（新聞鏈接）據悉，雖然哈維已經被開除，但調查還會繼續。

現在的情況對哈維·韋恩斯坦可謂是相當不利。首先，在醜聞曝光之後他沒有給出壹個令人信服的回應：先是發表聲明承認犯錯承諾改過自新，但隨即卻通過律師發聲要起訴《紐約時報》誹謗；另外，哈維本來自己說要“休假”離開公司，但卻食言，使得公司董事會表決強制其“無限期”休職。

雪上加霜的是，哈維團隊關鍵成員 Lisa Bloom和Lanny Davis相繼宣布辭職；甚至韋恩斯坦公司三分之壹的董事會成員為了與之劃清界限也宣布辭職。另外，包括奧斯卡影後布麗·拉爾森、賽思·羅根、賈德·阿帕圖和莉娜·杜漢姆等電影人都發聲明支持受害人並譴責哈維·韋恩斯坦——他現在可謂是孤家寡人壹個。

據悉，哈維雖然已經被韋恩斯坦公司開除，但他本人並未打算就此離開。由於他仍然持有公司約20%的股份，強制讓他走人將會是壹個十分麻煩而複雜的過程。關於該事件的後續發展，請繼續關注時光網報道。

擎天柱將在“大黃蜂”獨立外傳電影中現身 配音演員本人確認 出場形式與身份均未確定

爆炸貝的《變形金剛5》也許是今年得到影評人口碑最差的電影之壹，今夏，它在全球範圍內賺了6.05億美元，創下系列最低，更是比2014年的《變形金剛4：絕跡重生》的11.04億美元差了不少。

不過老實說，只要有汽車人出現的電影，觀眾們還是很願意給它壹個機會的。《大黃蜂》將是“變形金剛”系列無數外傳中的第

壹部，目前正在制片的前期階段。除了“大黃蜂”本人（本車？），我們最熟悉的另壹位角色也將得以與觀眾們在大銀幕上再次相見——擎天柱。

雖然還不知道擎天柱將以什麼方式、什麼身份在《大黃蜂》中出現多久，但它的出現已由在《變形金剛》真人電影，與80年代的動畫片中，為“擎天柱”配音的演員彼得·庫倫本人確認。

影片將設置在1987年的加州海邊小鎮，比第壹部《變形金剛》電影的時代要早。大黃蜂早就來到了地球，我們也會看到

擎天柱更為經典的形態。既然不是爆炸貝本人執導，那麼影片預算將大幅縮水這壹消息也不是很讓人震驚，這至少說明導演也許會更集中註意力在故事上呢！

外傳《大黃蜂》將由海莉·斯坦菲爾德（《成長邊緣》）與WWE摔角手約翰·塞納（《老爸當家2》）共同出演，導演則是壕二代塔拉維斯·奈特（《魔咒傳說》）。海莉在片中飾演有點男孩子氣的女主角查理·沃森，她在壹座垃圾場內撿到了壹輛破損相當嚴重的大眾甲殼蟲車，但她很快發現，它不只是壹輛普通的汽車，而是“大黃蜂”，從而開始了壹段奇妙的友誼。傑森·德魯克、艾比·奎因·傑克曼、蕾切爾·克羅也將共同出演，《大黃蜂》將於2018年12月21日在全美上映。

漫威《復仇者聯盟4》曝光全新片場照

正在亞特蘭大熱拍的《復仇者聯盟4》曝光壹組全新片場照。“美國隊長”克萊斯·埃文斯、“綠巨人”馬克·魯法洛、“鷹眼”傑瑞米·雷納、“蟻人”保羅·路德、“星雲”凱倫·吉蘭和戰爭機器亮

相片場。

“鷹眼”的新造型引人遐想：傑瑞米·雷納不但換了個新發型，而且左手還多了紋身！據觀察，“鷹眼”的紋身應該是特制的手袖套在手上。這個新造型似乎也預示著“鷹眼

”在《復仇者聯盟4》中的角色會有比較大的轉變。

《復仇者聯盟3：無限戰爭》已經進入後期制作，將於2018年5月4日北美開畫；而背靠背拍攝的《復仇者聯盟4》北美定檔2019年5月3日。

工商銀行休斯敦機構正式開業

【本報訊】當地時間10月10日，工銀美國休斯敦機構在美國第四大城市休斯敦市正式開業。休斯敦機構是工銀美國繼紐約、舊金山、洛杉磯、西雅圖機構之後在全美金融網絡中的又一重要機構佈局，也是大休斯敦地區乃至美國南部地區第一家中國中資銀行機構。中國工商銀行副行長胡浩、中國駐休斯敦總領事李強民、休斯敦市長西爾維斯特·特納及德克薩斯州州議員吳元之等出席了開業儀式。

胡浩副行長在休斯敦機構開業儀式上表示，作為第一家在休斯敦開設機構的中資銀行，工商銀行將以休斯敦為中心，服務整個德州及周邊的美國南部市場。未來，工商銀行美國機構將繼續深化本土化經營，加強與本地金融機構的合作，努力為中美企業和個人客戶以及中美經貿往來活動提供更加全面、優質、專業的金融服務，成為當地優秀的外資銀行。

據介紹，德克薩斯州和休斯敦市是世界知名的能源和石化中心，並擁有世界最大的醫學城和太空中心。德州不僅是54家世界財

富500強企業總部所在地，擁有眾多繁忙的貨運港口，也是中國對美投資的重點地區。從2000年至今，中資企業在德州的投資總量超過70億美元，覆蓋能源、農產品、原材料、金融、地產等多個領域，近百家中資企業選擇落戶於此。工銀美國休斯敦機構成立後，將為中美客戶提供商業貸款、地產貸款、現金管理、信用卡等金融服務，並通過貿易融資、跨境併購貸款和商票發行等業務為中美間貿易和投資的往來搭建新橋樑。

近年來，工商銀行主動適應客戶多元化金融服務需求，緊跟中國對外貿易和投資進程完善境外佈局，全球服務能力顯著提升。截至目前，工商銀行已在全球44個國家和地區設立了海外分支機構，並通過參股南非標準銀行間接延伸至20個非洲國家。在美國，工商銀行2008年設立第一家經營機構紐約分行，目前已發展成為具備商業銀行批發、零售、本地券商以及大宗商品交易等服務能力的綜合金融服務平台。

僑委會發行「僑胞卡」 鼓勵僑胞回國消費觀光

（本報訊）僑務委員會為鼓勵僑胞回國觀光，擴大消費，促進國內商機，並增進了解國內產業現況，特規劃於本(106)年雙十國慶活動期間發送僑胞卡，持卡人憑僑胞卡於國內僑胞卡特約商店消費，可享商店提供之相關優惠，特約醫療機構健檢可享專案價，歡迎大家多加利用！

僑委會委員長吳新興表示，「這是僑委會成立86年來，第一次發行僑胞卡」，希望鼓勵僑胞經常回到國內觀光旅遊、從事健檢等，促進國內消費，讓僑胞回國時在食、衣、住、行、育、樂方面以及從事健檢時，持卡可享有折扣優惠，有助行

銷台灣觀光，目前已約有1000家特約商店、醫療機構參與，希望明年底增加到2000家，參與企業、店家、醫療機構包含國立故宮博物院、中華航空、長榮航空、新東陽，以及台北醫學大學附設醫院、新光醫療財團法人新光吳火獅紀念醫院，希望藉此配合政府政策，促進國內消費。

「僑胞卡」發卡對象包含來台參加雙十國慶活動、參訪研習、自費健檢、觀光旅遊的僑胞以及在台僑生，僅供持卡人向特約商店消費時使用，不能當作身分證明，亦不具信用卡、儲值功能及其他用途，卡片有效期自發卡日起至108年12月31日止

，申辦地點在國內，海外不受理，發給對象為回國參加雙十國慶之僑胞、來臺參加僑務委員會辦理之各項邀訪培訓及研習活動者，在臺僑生及個別僑胞等。回國參加慶典或研習活動者，以團體方式辦理，個別申辦者需填妥表格及檢附有效之僑居國證明文件（如僑居國護照、居留證；或中華民國護照已加簽僑居身分）親至僑務委員會僑商處申請，合格者即發給一張「僑胞卡」，相關特約商店基本資訊、消費折扣或相關優惠內容請至僑胞卡網站：www.ocacocc.net查詢。
