Fifth device explodes in Texas; White House sees no link to terrorism

AUSTIN/SCHERTZ, Texas (Reuters) - A package bomb blew up at a FedEx distribution center near San Antonio on Tuesday, hastening investigators to seek the public's help in determining if there is any link to four homemade bombs that have rocked the state capital of Austin this month. Hundreds of federal investigators joined local authorities in probing the bombings, which the White House said do not appear to be linked to terrorism. The latest blast knocked a female employee off her feet, police said. The package, filled with nails and metal shrapnel, exploded shortly after midnight local time at the FedEx Corp sorting facility in Schertz, Texas, about 65 miles south of Austin, the San Antonio Fire Department said on Twitter. Investigators were also examining a second suspicious package at the same facility, San Antonio Police Chief Bill McManus told reporters. "There was one other package that we believe was also loaded with an explosive device that they are looking at right now," McManus told reporters in Schertz, about 20 miles northeast of San Antonio. In Sunset Valley, a town within Austin, police surrounded a FedEx store on suspicion it was linked to the Schertz bombing. "The FBI is currently investigating a confirmed link between packages involved in the Austin bombing investigation and a mail

delivery office in Sunset Valley. It appears that the source of the suspect packages was a private package delivery office in Sunset Valley," Sunset Valley police said in a statement. Even with the apparent Austin link, it remained unknown whether the latest incident was the work of what Austin police said could be a serial bomber who is responsible for the four earlier devices that killed two people and injured four others. The blast at the FedEx facility in Schertz was the fifth in the state in the last 18 days and the first involving a commercial parcel service. "We are committed to bringing perpetrators of these heinous acts to justice. There is no apparent nexus to terrorism at this time," White House spokesman Sarah Sanders said in a Twitter post. Investigators were trying to come up with a theory or intelligence regarding the motive for the bombings or identity of the bomber or bombers, a U.S. security official and a law enforcement official told Reuters. The FBI was investigating the FedEx package explosion as if there were a connection to the Austin bombings, the law enforcement official said. Both sources declined to be identified.

An officer with Schertz Police Department holds a FedEx truck from entering the scene of a blast at

Federal authorities at the scene offered few details, telling reporters their probe was in the early stages and that the building would be secured before investigators could gather evidence. Authorities offered a \$115,000 reward to anyone providing information leading

the arrest or conviction of the culprit, and public urged the bomber to communicate with them to explain the motivation for the attacks. We need the public's help right now," said James Smith, the assistant special agent in charge of the FBI's San Antonio office.

Maryland high school shooter dies after gunfight with officer: sheriff

GREAT MILLS, Md. (Reuters) - A 17-year-old student shot and critically wounded two fellow students at a Maryland high school on Tuesday morning before dying after exchanging gunfire with a campus security officer, the county sheriff said. The shooting, which came amid a renewed national debate over gun violence following a school massacre in Florida last month, occurred just before 8 a.m. (1200 GMT) at Great Mills High School in St. Mary's County, county Sheriff Timothy Cameron said. A 16-year-old girl and a 14-year-old boy were wounded and taken to hospitals. The girl was in intensive care with life-threatening critical injuries, the sheriff said, while the boy was in good condition. The gunman was identified as Austin Wyatt Rollins, and Cameron said there was "an indication" of a prior relationship between him and the female student, though he said that

was still under investigation. Maryland lockdown pulls Florida students into Twitter storm: 'Be strong' The latest in a long string of deadly shootings at U.S. schools and colleges took place a little more than a month after 17 students and educators were shot dead at Marjory Stoneman Douglas High School in Parkland, Florida. That massacre sparked a new student movement against gun violence, including a national school walkout last week that Great Mills students participated in. It occurred just days before a planned Saturday march in Washington calling for new restrictions on guns. Rollins pulled out a Glock semiautomatic handgun around 7:55 a.m. in a hallway and shot the students, the sheriff said. The attack, which lasted less than a minute, ended after the school resource officer, Deputy 1st Class

Sheriff Blaine Gaskill, ran inside the building and engaged with Rollins, with both firing a single round almost simultaneously. The officer was not harmed, Cameron sheriff said. Rollins was confirmed deceased at 10:41 a.m. ET after being taken to a hospital. Parkland students and Great Mills students exchanged supportive messages on Twitter following Tuesday's shooting. "We are here for you, students of Great Mills, together we can stop this from ever happening again," Emma Gonzalez, a senior at Stoneman Douglas High School who survived last month's rampage, wrote on Twitter. Cameron said investigators would determine whether the shooter died of a wound from the school resource officer's gun or in some other way. An armed school resource officer had also been on the campus of Stoneman Douglas at the time of the

shooting there, and came under criticism for failing to stop the gunman, who was armed with an AR-15 assault-style rifle. The officer, who resigned, said he had not been sure where the gunfire was coming from. U.S. President Donald Trump and the National Rifle Association have proposed arming teachers to combat the threat of school shootings, while gun safety advocates have demanded a ban on semiautomatic rifles, among other laws. The Maryland school is in Great

Mills, a community about 70 miles south of Washington. "You never think it'll be your school and then it is," Mollie Davis, who identified herself as a student at the school, wrote on Twitter. "Great Mills is a wonderful school and somewhere I am proud to go. Why us?"

widely at this time of year as refiners complete seasonal maintenance and switch to more expensive, lower-emissions fuel blends for the summer driving season. Patrick DeHaan, head of petroleum analysis for GasBuddy, anticipates that gasoline this spring will cost 10 to 25 percent more than it did at this time last year, when oil prices were much lower.

“The national average now stands at its highest level in over a month and is likely to continue moving higher in the weeks ahead as demand continues to recover from the winter blues and the transition to summer gasoline kicks into high gear,” he said.

pendent on shipments of lower-value crude. While U.S. shale companies are pumping record amounts of oil, the growth rate is flattening out for one closely watched category

Women Know About The Increased Cancer Risk Of Oral Contraceptives. This New Study Shows That The Using Birth Control Pills May Protect Against Certain Cancers For At Least 30 Years

Birth Control Pills May Protect Against Some Cancers For Decades

Compiled And Edited By John T. Robbins, Southern Daily Editor

After an analysis of more than 46,000 women, researchers from the University of Aberdeen in the United Kingdom found that women who had ever used oral contraceptive pills were at lower risk of colorectal, ovarian, and endometrial cancers, compared with women who had never used the pill. Furthermore, the study found no link between the use of oral contraceptives during reproductive years and increased risk of new cancers in later life. The study was led by Dr. Lisa Iversen, of the Institute of Applied Health Sciences at

Aberdeen, and the findings were recently published in the American Journal of Obstetrics and Gynaecology. According to the Centers for Disease Control and Prevention (CDC), around 16 percent of women in the United States aged between 15 and 44 years are currently using oral contraceptive pills as a method of birth control. The “combined pill” is the most common form of oral contraceptive used. This contains synthetic versions of the hormones estrogen and progesterone. Since naturally occurring estrogen and

progesterone have been associated with cancer development, numerous studies have investigated whether oral contraceptives might play a role in cancer risk. Assessing the long-term effects of oral contraceptives While some studies have uncovered a

link between oral contraceptive use and increased risk of breast cancer, others have associated the pill with a reduced risk of certain cancer types, including endometrial and colorectal cancers. The aim of the new study was to assess the long-term cancer benefits or risks of oral contraceptive use. To reach their findings, Dr. Iversen and colleagues analyzed the data of 46,022 women who were part of the U.K. Royal College of General Practitioners’ Oral Contraception Study from 1968 to 1969. Participants were monitored for up to 44 years, and the researchers assessed the development of all cancer types during this time.

“Because the study has been going for such a long time we are able to look at the very long-term effects, if there are any, associated with the pill,” notes Dr. Iversen. Findings are ‘reassuring’ Compared with women who had never used oral contraceptive pills, those who had used the pills were found to be at lower risk of colorectal, endometrial, and ovarian cancers. “So the protective benefits from using the pill during their reproductive years are lasting for at least 30 years after wom-

en have stopped using the pill,” says Dr. Iversen. The team did identify a greater risk of breast and cervical cancers with oral contraceptive use, but they found that this risk appeared to diminish within 5 years of ceasing use. Additionally, the researchers found no evidence of increased risk of new cancer development in later life among women who had used oral contraceptives.

The team says that the findings should offer some peace of mind to women who use oral contraceptives. “These results from the longest-running study in the world into oral contraceptive use are reassuring. Specifically, pill users don’t have an overall increased risk of cancer over their lifetime and that the protective effects of some specific cancers last for at least 30 years.” (Courtesy https://www.medicalnewstoday.com)

Scores of Americans are in an uproar since Food Safety News revealed the U.S. Department of Agriculture (USDA) will soon allow U.S. chickens to be sent to China for processing before being shipped back to the states for human consumption.

This arrangement is especially disturbing given China’s subpar food safety record and the fact that there are no plans to station on-site USDA inspectors at Chinese plants.

Also, American consumers won’t know which brands of chicken are processed in China because there’s no requirement to label it as such.

It’s Already Done With Your Seafood
To ease concerns, lobbyists and chicken industry proponents argue no U.S. company will ever ship chicken to China for processing because it wouldn’t work economically.

“Economically, it doesn’t make much sense,” said Tom Super, spokesman for the National Chicken Council, in a recent interview with the Houston Chronicle. “Think about it: A Chinese company would have to purchase frozen chicken in the U.S., pay to ship it 7,000 miles, unload it, transport it to a processing plant, unpack it, cut it up, process/cook it, freeze it, repack it, transport it back to a port, then ship it another 7,000 miles. I don’t know how anyone could make a profit doing that.” Yet, a similar process is already being used for U.S. seafood.

According to the Seattle Times, domestically caught Pacific salmon and Dungeness crab are being processed in China and shipped back to the U.S. because of significant cost savings.

“There are 36 pin bones in a salmon and the best way to remove them is by hand,” said Charles Bundrant, founder of Trident, which ships about 30 million pounds of its 1.2 billion-pound annual harvest to China for processing. “Some-

USDA Gives Green Light To Ship Chicken From USA To China For Processing -- Then Back To US For Consumption

Compiled And Edited By John T. Robbins, Southern Daily Editor

thing that would cost us \$1 per pound labor here, they get it done for 20 cents in China.”

Low Pay, Poor Safety Record
Bureau of Labor Statistics data estimates that American poultry processors are paid roughly \$11 per hour on average. In China, reports have circulated that the country’s chicken workers can earn significantly less—\$1 to 2 per hour—which casts doubt on Super’s economic feasibility assessment.

China’s food safety system, which is said to be decades behind America’s, is highly questionable given some of the more recent food safety scandals that

have surfaced in the country:
More than 300,000 Chinese children have suffered illness, and several have died, from melamine-tainted milk powder.

Dangerously high levels of mercury have been found in Chinese baby formula.
More than \$1 million worth of rat and other small mammal meat has been sold to Chinese consumers as lamb. (Courtesy <http://wisemindhealthybody.com/ecowatch/>)

Related

USDA Gives Green Light To China’s Poultry Inspections

Audit released is for processing, not slaughter
(Sept. 2017) The “our beef for your chicken deal” hatched by President Donald Trump with the People’s Republic of China last May appears to be on track.

CFI called out some of China’s “serious food safety events,” including:

- Melamine in baby formula
- Toxins in pet treats
- Rat meat sold as lamb
- Smuggling of decades old frozen meat
- Restaurant using discarded cooking oil
- Tainted meats sold at fast food outlets

- Potentially harmful sauces made with rock salt and recycled spices.

Ken Maschhoff, president of the National Pork Producers Council, was one of the few commenting in favor of the new rule. He suggested that USDA add a requirement for inspection of all PRC poultry shipments at U.S. ports of entry “before being released into the marketplace, just as U.S. meat and poultry exports to China now are subject to inspections at that country’s port of entry.”

Maschhoff said pork producers “want the United States to remain the gold standard in the world for food safety.” He said his organization supports the rule because it cannot find scientific grounds on which to oppose it.

FSIS auditors inspected four Chinese poultry facilities, three in the Shandong Province and one in the Anhui Province. Two microbiology laboratories, one each in Shandong and Anhui, were also inspected.

CFI says four establishments is too small of a subset of China’s poultry producers to make a favorable decision. It questions whether USDA has the resources to conduct audits “at the frequency needed to ensure the safety of Chinese products.”

FSIS plans annual equivalency reviews of China’s food safety systems for meat and poultry products. The agency may order so-called “secondary inspections” of meat imports at U.S. ports of entry. (Courtesy <http://www.foodsafetynews.com/2017>)

《壹句頂壹萬句》登話劇舞臺 牟森導演：不用明星

導演牟森把劉震雲的小說《壹句頂壹萬句》稱作是“壹部超級的中國社會史詩”，認為它和金庸的《鹿鼎記》是華語文學作品中，為數不多的能把巨大的創作企圖心和最後的實現度完美匹配的作品。

因此，牟森在這部話劇中想要做到的就是，“盡可能地在舞臺上呈現壹部長篇小說應有的容量和品質。”全劇將以曹青娥的多舛命途為主線，講述三代中原人自我救贖的歷程，力圖呈現中國百姓精神生活的圖景。

尋找主題 獲救

早在這部小說發表於《人民文學》雜誌時，牟森便追著連載讀完了，當時寫下八個字“地老天荒，山高水長”，這是他對這部作品的最初印象。時至今日，經過壹段時間的沈澱和排練，牟森從小說中提煉出來的核心是“獲救”。

“我從2009年開始接觸到這部小說，要把容量如此巨大的壹部長篇小說轉換成壹個時間有限的舞臺形式，這個難度特別大。在這個過程中，比較讓人愉悅的是妳會不斷有新的發現。這部小說最初發表時，震雲哥曾形象地把它概括為兩個‘殺人犯’的故事。當然，殺人犯是加引號的。”

小說的容量很大，牟森最初也考慮過多個主題，最終還是落腳在“獲救”

這壹關鍵點。他覺得楊百順和牛愛國這兩個“殺人犯”，最終都沒有拔出刀來，“他們是兩個自我獲救的人，是有福的人。”此外，還通過小說內容延伸出兩個意象，壹個是“黑暗和光的關係”，另壹個是“岔路口”，牟森說：“小說裏經常會出現岔路口，就是我是誰？我從哪裏來？要到哪裏去？尤其是‘到哪裏去？’反復出現。”

牟森覺得，這部小說中沒有壹個傳統意義上的壞人，他也不喜歡那種非黑即白的人物設置，還是希望通過曹青娥這條線能夠串聯起上下兩部，“如果它能夠感動觀眾，這對我來說就夠了。”

壹種堅持 不用明星

話劇《壹句頂壹萬句》十幾個主要演員，大多數通過招募而來，有的壹個人就要演9個角色，除了毛孩、趙吟秋等幾位演員外，其他人名氣並不大。

為何不邀請明星演員來演？

其實，劉震雲也考慮過這個問題。當招募演員的公告發出去之後，也曾有明星向劉震雲請纓演出該劇，並請他代為向牟森導演轉達。

劉震雲說：“當時牟森導演對我說，我不用明星，而是要用更大的明星。他問我，這些生活中的明星能有兩三個月，每天都來排練場嗎？而這些招募來

的非職業演員每天經過刻苦的形體、語言訓練後，導演想讓他們達到專業演員都達不到的程度。”

經過簡單溝通後，劉震雲認可牟森的這種做法。劉震雲說：“雖然起用明星壹開始會有號召力，但真正有號召力的還是話劇本身，以及能充分體現導演創作思路的壹群人。牟森導演從最初創作階段用的就是笨功夫，期待這樣壹部用心之作能成為常演常新，常看常新的經典。”

目前，劇組正在昌平沙河的排練場緊張排練，這也是讓牟森導演最踏實的事，“大家在壹塊排練的那種狀態很難得，那個地方特別好，有壹個凝聚而成的氣場。”

原著小說的結構清晰，語言生動靈活，話劇版基本沿用了原有解構和語言。

牟森說：“目前最難的部分就是容量，小說的線索繁雜，有上百個人物，人物之間的關係是心靈話語的碰撞，而

《老男孩》本該精彩 可惜編劇沒分清俗套和創意

橋段，從開頭就能知道結尾，主題也就是關於成長，有點浪費這麼好的陣容和資源了。

劉燁已經挺長時間沒好好演電視劇了，這幾年給大家印象較深的恐怕是綜藝“爸爸去哪兒”，這個“老男孩”吳爭的人設倒是頗為適合他——不願意長大的中年人，突然面對壹個16歲的兒子，各種抗拒，同時在感情上也是和林依晨扮演的老師林小歐冤家路窄。電視劇通常是第壹集就將設定展開，《老男孩》的開頭基本上也就能馬上讓人知道吳爭和林小歐之間存在的糾葛——太套路了，並且之後也是這麼演下去的，沒有任何讓妳意想不到的地方。

林小歐遲遲不知道蕭哈的爸爸就是吳爭，其實觀眾已經相當不耐煩，不明白這有什麼可拖延的。蕭哈和吳爭之間的父子關係

從對立到逐漸接受也沒有可意外之處，包括林小歐的異地戀以劈腿收場，也是從開頭就知道了結尾（可能只有編劇沉浸在“女主親手將第三者送到男主面前”的戲劇性裏吧），壹部完全沒有意外的電視劇，總是難逃乏味了。

但《老男孩》又不屬於那種爛得很明顯的爛劇，和湖南臺的許多其他劇相比——譬如《極光之戀》那樣看5分鐘就能毫不猶豫打壹星的，可以看得出制作稱得上用心，演員也都是實力派。劉燁的表演不過不失；林依晨演正義凜然女老師也招人喜愛；雷佳音更是那種沒戲也能給自己身上主動加戲的戲精；連蕭哈的扮演者胡先煦也是頗為可愛的

青少年演員，之前在《小別離》中就表現得挺可愛的，到了《瑯琊榜之風起長林》裏的小皇帝，更是能看見明顯的演技進步。

就是如今這個陣容和制作的水準，《老男孩》原本應該質量更上壹個層面，但結果在某個頗為重要的環節出了問題，停留在壹個不溫不火的尷尬水平。

最主要的應該是劇本的問題，開始的設定老套狗血都還不是最大的問題，《美好生活》的開頭也非常狗血，但之後的每壹集都堪稱有懸念，男女主的情感進退，周圍人的影響，都既有合理之處，也有意外巧妙之處，總之能讓人津津有味地看下去。《老男孩》的每壹集劇情推動基本都在觀眾預料之中，男女互相瞧不上對方，但又都是善良的人；父子吵吵鬧鬧，但內心都需要親人，就是這種嚼起來沒什麼滋味的情節比比皆是。

功能性的人物太多也是壹個很明顯的毛病。比如倪虹潔扮演的周洲媽媽，功能性人物就是妳知道她就是放在那為了制造沖突用的，但是這個人物太典型且不讓人喜歡也無法同情，故意的歇斯底裏、被害妄想癡都非常招人煩；還有壹直給吳爭投懷送抱的空乘費文麗，這個女的能再沒有腦子壹些嗎？認為吳爭在眾目睽睽之下就能拿著她自己買的戒指向她求婚？編劇的邏輯很讓人著急……

支撐我看下去的動力可以說完全是依靠演員不太煩人，但依然也只能是下飯的時候有壹搭沒壹搭地看看。很遺憾，這部本該更精彩的劇就這麼平庸下去了。創作者如何在創作的時候就辨別出這是俗套、那是創意很難嗎？反正觀眾是能壹眼就看出來的。

不是簡單的對話關係。如何在三個小時中把信息傳遞清楚，把人物的命運感充分體現出來？這是比較難的部分。”

為何該戲值得期待？

傳奇牟森回歸之作

牟森是上世紀80年代至90年代備受海內外矚目的戲劇導演。在此前的發布會上，劉震雲曾幽默地把牟森稱作“中國先鋒話劇的祖宗”。

牟森於1993年排的《彼岸》，1994年排的《零檔案》《與艾滋有關》，以及1995年排的《紅鯊魚》都是現象級的作品。其中，《零檔案》作為布魯塞爾藝術節委約作品首演於比利時，1995年在法國演出完畢又至美國洛杉磯 UCLA

演出，後因眾多國際藝術節的邀約紛至踏來，《零檔案》在海外接連演出了近百場，為中國當代戲劇贏得了前所未有的榮譽。

上世紀90年代末，牟森在他戲劇創作的巔峰時期悄然隱退，至今已經20多年。

小說《壹句頂壹萬句》出版於2009年，曾獲第八屆茅盾文學獎。

雖然這部體量龐大的小說改成話劇是個挑戰，但劉震雲說看到牟森改編的劇本後，他及身邊人都豈致認為改得太牛了。“牟森的劇本不僅僅是把小說改成了話劇，而是開創了壹種可能，或者另外壹種話劇的方向和形式。”

很遺憾，這部本該更精彩的劇就這麼平庸下去了。創作者如何在創作的時候就辨別出這是俗套、那是創意很難嗎？反正觀眾是能壹眼就看出來的。

《美好生活》播得如火如荼，《老男孩》也不甘落後，陣容也不差，劉燁、林依晨、雷佳音，但它壹開始卻不怎麼吸引我，機長、澳洲外景、私立名校……看來看去，這部屬於那種很飄的設定，感覺自己在玩高級，往往是被高級玩了，就差再弄出個豪門恩怨來了。不過拜演員所賜，《老男孩》倒沒有壹味地飄上去，也有壹些值得壹看的細節，只是整個故事的設定太沒有懸念，兒子和父親的對立，不是冤家不聚頭的

由薛聞君、鮑姆路主演的網絡文藝電影《兩天壹夜》即將於3月20日上線。該片是由北京格林兄弟投資娛樂有限公司出品，淘夢銀河獨家宣發的愛情網絡電影。

據悉，《兩天壹夜》作為壹部中法合拍的網絡電影，不僅斥資在法國巴黎實地取景，更有法國當地的工作人員參與，竭力為大眾再次呈現法國特有的異域風情。在電影中，除了法國美麗的街景外，男女主角之間若有似無的情懷與心動更是牽動著觀眾的心。

異國他鄉再遇前任

《兩天壹夜》堪稱網絡版《晚秋》

據了解，本片導演鄭世龍壹直對電影《晚秋》中男女主角之間的唯美愛情心存向往，此番執導《兩天壹夜》也帶著向經典致敬的心，希望能制作出壹部網絡版的《晚秋》。

雖然是致敬經典的作品，《兩天壹夜》在致敬的同時也有了與《晚秋》截然不同的故事脈絡。不再是講述壹男壹女在異國他鄉的情懷暗生，而是獨辟蹊徑的描繪了壹對曾深愛過彼此的戀人，多年後在法國重逢，共度兩天壹夜的故事。截然不同的情節走向，但在故事呈現和畫面表達上，卻有著同樣的高品質觀感。

當浪漫之都遇上旅法導演 文藝新風潮就此掀開

據透露，鄭世龍不僅曾被巴黎第八大學導演碩士專業破格錄取，之後更是旅居法國數年，繼續電影導演相關專業的深造和實踐。此次《兩天壹夜》，鄭導也不但將自己在法國生活的感受融入影片中，還全面呈現了自己在電影方面的心得，於細節處展現生活的藝術，可謂是生活與藝術的完美結合。電影畫面不僅唯美淡雅，更充滿了壹絲淺淺的煙火氣息，讓影片成為壹部來源於生活又高於生活的文藝佳作。

《兩天壹夜》明日上線 網絡版晚秋打造文藝新浪潮

黃金點心茶寮的粵菜地道，生猛海鮮、新派粵菜！

• 周一至周五每天11點到下午5點供應特價午餐，

5塊99起，有40種菜色供您選擇。

• 特別推出10人份黃金喜慶套餐，

價格有238.88元和288.88供您選擇。

• 可坐25人的大包房金碧輝煌，

是您宴客聚會的理想場所。

地址：10600 Bellaire Blvd, Ste 105., Houston, TX 77072 281-495-1688

《環太平洋 2》導演講述"機甲世界觀" 破壞力十足巨獸組團來襲 怪獸檔案首公開

好萊塢科幻動作巨制《環太平洋：雷霆再起》曝光了“機甲世界觀”特輯，導演史蒂文·S·迪奈特親自現身，為觀眾呈現電影中全方位升級的機甲世界觀，並自豪表示酷炫的視覺效果絕不讓觀眾有壹秒鐘的走神機會。同時，怪獸檔案首度公開，破壞力十足的巨獸組團來襲，掀起壹場世界浩劫。影片將於3月23日在內地上映。

在全新發布的“機甲世界觀”特輯中，導演史蒂文·S·迪奈特難掩夢想成真的欣喜，“有機會參與《環太平洋：雷霆再起》，就像是實現了童年的夢想。可以和摩天大樓壹樣高的巨型機甲和怪獸玩耍並摧毀城市，戰鬥的浩大場面無可比擬。”

同時，對於續作中全新升級的機甲導演也予以了高度肯定，

“前作中觀眾見識了早期和中期的機甲。在第二部電影中，他們是更加先進的壹代機甲。為了對抗怪獸，我們建造了這些身高250英尺的‘怪獸’——機甲。”影片中機甲駕駛員領袖博耶加對於駕駛機甲也無比興奮，“感覺在駕駛機械戰神，特別莊嚴。”

在續作中，機甲戰隊有著各自不同的武器和特色。復仇流浪者配備了引力彈弓，效果驚人；鳳凰遊擊士火力強大，就好像機甲中的後分衛；軍刀雅典娜是戰隊中速度最快的機甲，被稱為武術機甲；英勇保護者手持壹根電弧鞭，遇敵殺敵威力十足；還有神秘感爆棚的黑曜石復仇女神，似乎有種來者不善的既視感。

影片中機甲全方位升級，此

次面臨的勁敵也是前所未有的強大，雙方大戰可謂激烈十足。此番巨獸來勢洶洶，破壞力不容小覷，從首度公開的巨獸檔案便可見壹斑。雷怪、白蛇、伯勞刺以及超級怪獸逐壹亮相。

白蛇作為四足獸，身高52米，腦袋具有挖掘機功能，不僅能壹頭紮進地表突襲，還能站到對手腳下數英尺形成爆炸性攻擊；雷怪身高106米，它的頭蓋骨擁有盾牌壹般的保護型板材，外觀很像捕蠅草；伯勞刺同時具備雙足和四足獸的特性，渾身布滿刺刀般鋒利的尖釘；殺傷力十足；還有極為罕見的超級怪獸，集怪獸多重攻擊力於壹身，融三怪獸優勢於壹體，造成的威脅史無前例。

電影《環太平洋：雷霆再起》將於3月23日上映。

"邊境殺手 2" 德爾托羅&布洛林敵對暗湧

《邊境殺手2》曝光壹支全新預告，故事脈絡有了更豐富的展現。借這支預告片的上線，影片更新了片名為《SICARIO: DAY OF THE SOLDADO》。

雖然換由意大利導演斯蒂法諾·索利馬(《蘇博拉》)執導，前作女主艾米莉·布朗特也未能回歸，但這部續集依然延續了前作的畫風。

今日曝光的預告片中，本尼西奧·德爾·托羅飾演的亞歷桑德羅站在了人生的十字路口上。在執行命令綁架了毒梟的女兒後，喬什·布洛林飾演的Matt讓亞歷桑德羅殺了這個女孩(Isabella

Moner 飾)，是繼續執行任務還是殺害無辜，似乎這壹切也會經發生在亞歷桑德羅家人的身上。

雖然從前集和此次預告片中所呈現的內容來看，德爾·托羅和布洛林屬於同壹陣營，但顯然該片將集中展現二人之間有些敵對的關係。

《邊境殺手2》將聚焦於本尼西奧·德爾·托羅飾演的亞歷桑德羅的前世今生，講述他的家人當初如何被毒販折磨，他又是如何變成心狠手辣的特工的故事。該片劇本由《獵兇風河谷》的泰勒·謝里丹繼續操刀，將於2018年6月29日北美公映。

《狂暴巨獸》發“硬漢暴擊”版預告 強森遇巨獸竟狂奔保小命？

由《末日崩塌》導演布拉德·佩頓執導，巨石強森實力演繹的好萊塢怪獸災難巨制《狂暴巨獸》曝“硬漢暴擊”版預告。此次預告主題為“人類vs巨獸”，以巨石強森為首的人類，與基因被改變的兄猛巨獸形成兩大陣營。猛獸肆虐橫掃勢頭不減，所到之處皆被夷為廢墟，人類誓死抵抗命途危亡。預告前夕，巨石身穿緊身黑色背心出現在健身房，肌肉賁張盡顯硬漢威猛風采。而後卻無奈“抱怨”預告片段顯得自己太“慫”，戲內畫面與戲外強森“反差萌吐槽”相互交叉

，形象壹猛壹弱反差強烈，讓人忍俊不禁。

在此次發布的預告中，畫面伊始，強森初壹露面就硬漢氣質爆棚，言辭語氣無不透露出滿分自信，並信誓旦旦表示接下來將呈現給觀眾“最牛”片段。然而畫面出現的卻是：強森灰頭土臉驚險掛彩，在破敗的廢墟上咬牙玩命狂奔，疲憊不堪但仍卯足全力。而“壹個瘋狂的棕皮膚光頭紋身巨漢正在玩命的逃跑”這洋的惡搞字卡，不禁令人捧腹。

更讓人感到幽默的是強森為掩飾尷尬，聲稱這事關自己

作為“這個地球上最厲害的電影演員”的名譽，並“威脅”官方立即釋出那個“勇猛無畏”的片段。而直到看到畫面中巨鱷張開血盆大口震耳咆哮，自己與巨鯉橋治雙雙不自覺壹畏的畫面，強森才無奈羞怯地“認慫”，戲內外實力演繹“戲精附體”不亦樂乎。

由布拉德·佩頓執導，道恩·強森、娜奧米·哈里斯、傑弗裏·迪恩·摩根、喬·曼根尼羅等聯袂出演的好萊塢怪獸災難巨制《狂暴巨獸》將於4月13日登六全國影院，同步北美上映。
