China says U.S. policies are causing existential damage

Trump and Xi to meet after defiant China hits U.S. with new tariffs

WASHINGTON/BEIJING (Reuters) - U.S. President Donald Trump said on Monday he would meet Chinese President Xi Jinping next month as the trade war between the world's two largest economies intensified, sending shivers through global markets.

China announced earlier it would impose higher tariffs on a range of U.S. goods, including frozen vegetables and liquefied natural gas, a move that followed Washington's decision last week to hike its own levies on \$200 billion in Chinese imports.

The U.S. Trade Representative's office said later it planned to hold a public hearing next month on the possibility of raising duties of up to 25% on a further \$300 billion worth of imports from China. Cellphones and laptops would be included in that list but pharmaceuticals would be excluded, the office said.

See more stories

The prospect that the United States and China were spiraling into a no-holds-barred dispute that could derail the global economy has rattled investors and led to a sharp selloff on equities markets in the past week.

A gauge of global stocks shed a further 1.9% on Monday, its biggest one-day drop in more than five months. China's yuan currency fell to its lowest level since December and oil futures slumped.

Trump, who has embraced protectionism as part of an "America First" agenda, said he would talk to Xi at a G20 summit in late June.

"Maybe something will happen," Trump said in remarks at the White House. "We're going to be meeting, as you know, at the G20 in Japan and that'll be, I think, probably a very fruitful meeting."

The Chinese government's top diplomat, State Councilor Wang Yi, said during a trip to Russia that China-U.S. talks were not a "one-way street" and needed to be conducted on the basis of equality, according to China's Foreign Ministry.

"Both countries' negotiating teams have the ability and wisdom to resolve each other's reasonable demands, and in the end reach a mutually beneficial, win-win agreement," he said.

The comment period on the planned new tranche of U.S. duties - which covers 3,805 product categories - is much shorter than in previous rounds and could potentially leave Trump in a position to trigger those tariffs by the time he meets Xi.

U.S. farmers are among those most hurt by the trade war, with soybean sales to China plummeting and U.S. soybean futures hitting their lowest level in a decade. Trump said on Monday his administration was planning to provide about \$15 billion to help farmers whose products might be targeted.

Farmers, who are a core political constituency for Trump's Republicans heading into the 2020 presidential and congressional elections, are growing increasingly frustrated with the protracted trade talks and the failure to reach an agreement.

"What that means for soybean growers is that we're losing," Davie Stephens, president of the American Soybean Association, said in a statement. China said on Monday it planned to set import tariffs ranging from 5% to 25% on 5,140 U.S. products on a \$60 billion target list. It said the tariffs would take effect on June 1.

"China's adjustment on additional tariffs is a response to U.S. unilateralism and protectionism," its finance ministry said. "China hopes the U.S. will get back to the right track of bilateral trade and economic consultations and meet with China halfway."

In the middle of the negotiations last week, Trump hiked tariffs on \$200 billion of Chinese goods to 25% from 10%. The move affected 5,700 categories of Chinese products, including internet modems and routers.

Sources have said talks stalled after China tried to delete commitments from a draft agreement that its laws would be changed to enact new policies on issues from intellectual property protection to forced technology transfers.

Beijing said on Monday it would never surrender to external pressure. Its state media kept up a steady drum beat of strongly worded commentary, reiterating that the door to talks was always open but vowing that China would defend its national interests and dignity.

State television said in a commentary the effect of the U.S. tariffs on the Chinese economy was "totally controllable."

Trump has said he is in no rush to finalize a deal with China. He again defended the move to hike U.S. tariffs and said there was no reason why American consumers would pay the costs.

Economists and industry consultants, however, maintain that it is U.S. businesses that will pay the costs and likely pass them on to consumers.

U.S. tariffs last year triggered retaliation by China, which imposed 25% levies on \$50 billion worth of U.S. products including soybeans, beef and pork and lower tariffs on a list of \$60 billion in goods.

Goldman Sachs economists said in a research note new evidence showed the costs of Washington's tariffs on China last year had fallen entirely on U.S. businesses and households, with no clear reduction in prices charged by Chinese exporters.

They said the effects of the tariffs had spilled over noticeably to the prices charged by U.S. producers competing with goods affected by the levies.

Global finance officials say risks to growth skewed to downside

WASHINGTON (Reuters) - Global financial officials on Saturday said risks to worldwide economic growth were "tilted to the downside" due to factors such as trade tensions, policy uncertainty and the sudden tightening of financial conditions.

The higher risks are presenting themselves against a backdrop of limited policy space, historically high debt levels and heightened financial vulnerabilities, officials said in the joint communique of the International Monetary Fund's steering committee.

The statement from the International Monetary and Financial Committee, or IMFC, was released at the spring meetings of the IMF and World Bank in Washington. Earlier this week, the IMF cut its global growth outlook for the third time in six months.

IMF chief calls for central bank accountability, communication

The world economy will likely grow 3.3 percent this year, the slowest expansion since 2016 and 0.2 percentage points below the global lender's estimate from January.

The IMFC urged the world's central banks to form monetary policy aimed at ensuring that inflation remains on track toward targets and that expectations for price increases remain anchored. "Central bank decisions need to remain well communicated and data-dependent," it said.

The committee also said fiscal policy should be flexible and growth-friendly, but should be mindful of debt sustainability.

Growth is projected to firm up in 2020, it said.

In Europe, many of the global factors weighing on growth appear to be waning, keeping alive

expectations for a recovery in the second half of the year, European Central Bank President Mario Draghi said.

But he also warned that factors that undermine confidence, including the risk of a hard Brexit and a global trade war, continue to "loom large," putting growth at risk.

Elevated trade tensions have been a central talking point at the IMF and World Bank meetings this week and have been widely cited as a primary driver behind the weakening of the global economy.

Earlier, China took a swipe at U.S. President Donald Trump's "America First" policies that have sparked a trade dispute between the world's two largest economies, including tit-for-tat tariffs on hundreds of billions of dollars of goods.

"The protectionism of some countries has harmed mutual trust among countries, limited the scope for multilateral cooperation, and impeded the willingness to achieve it," Chen Yulu, a vice governor at the People's Bank of China (PBOC), said in a statement to the IMFC.

"Unilateralism and protectionism can only exacerbate domestic imbalances and impair necessary structural adjustments, which can negatively affect the countries concerned as well as global growth," he said.

Central bank governors and other global finance officials sit for a group photo at the IMF and World Bank's 2019 Annual Spring Meetings, in Washington, REUTERS/James Lawler Duggan

China says U.S. policies are causing existential damage to the WTO

GENEVA (Reuters) - China said on Monday U.S. policies are threatening the existence of the World Trade Organization, setting out a string of grievances in a WTO "reform proposal" published by the WTO on its website.

Since entering office, Trump has taken a tough line on the WTO, accusing it of unfairly penalizing U.S. trade while being soft on China, which was a far smaller economy when it joined the WTO in 2001.

He has threatened U.S. withdrawal unless the WTO can "shape up" and has blocked judicial

appointments at the WTO's Appellate Body, effectively the supreme court of world trade, meaning that trade disputes could go into legal limbo from December.

China did not name the United States in the document, but referred to the block on the appointment of WTO appeals judges and "national security" tariffs on aluminum, steel and cars, policies uniquely associated with Washington.

Make Today Different

HCC Names Dr. Megan Palsa Associate Vice Chancellor of Communications and Marketing

Compiled And Edited By John T. Robbins, Southern Daily Editor

HOUSTON (May 6, 2019) – Houston Community College (HCC) has named Megan Palsa, Ph.D., Associate Vice Chancellor (AVC) of Communications and Marketing. HCC Chancellor Cesar Maldonado, Ph.D., P.E., reintroduced and welcomed her at last Wednesday's Board of Trustees meeting at HCC's Administration Building, 3100 Main.

Since Dr. Palsa started her position in April, Dr. Maldonado said her years of experience in marketing, public relations and communications, as well as creating diverse teams, are already greatly benefiting HCC.

"As a proven leader in higher education, Dr. Palsa has the perfect combination of skills required to be successful in the associate vice chancellor position," said Dr. Maldonado of the transplant from Texas A&M University. "We are already seeing the new ideas and positive energy she is bringing to her role."

Dr. Megan Palsa Named HCC Associate Vice Chancellor of Communications and Marketing

Dr. Palsa credits the existing HCC Communications Department for a smooth

transition into her role.

"I'm honored to be part of the college and community," said Dr. Palsa. "The communications and marketing team at HCC is dynamic, energetic and creative. I'm looking forward to working with everyone."

With 20 years of leadership experience before arriving at HCC, Dr. Palsa's most recent role was that of Executive Director of Communications, Media & Public Relations at the Texas A&M College of Veterinary Medicine & Biomedical Sciences. Before that, she served in director and associate director roles in the Office of Graduate Studies and the Department of Multicultural Services at Texas A&M. Dr. Palsa also served as Director of Marketing for the Dallas County Community College District. She received her Ph.D. from Texas A&M University.

Dr. Palsa was selected following a national search process by an advisory committee comprising of HCC faculty and administrators.

"The dedication of faculty and administrator representatives on the committee was instrumental in establishing a pool of highly qualified finalists," said Dr. Maldonado. "I want to thank the committee members for their service."

HCC Chancellor Cesar Maldonado
Chancellor Maldonado also celebrated the "stellar work" of Dr. Michael Ed-

COMMUNITY

You have the experience.
Now regain the confidence.

wards as interim AVC of Marketing and Communications during the search process.

"Please join me in thanking Dr. Edwards for his service to Houston Community College," said Dr. Maldonado. "His long-standing dedication to HCC will continue as Executive Director of Planning and Institutional Effectiveness."

The Chancellor added that he believes Dr. Palsa's creative energy and leadership will elevate Houston Community College to an even greater level of success.

"The entire HCC family has never been in a better position to set the national tone for my main priority—student success," said Dr. Maldonado.

ABOUT HCC

Houston Community College (HCC) is composed of 15 Centers of Excellence and numerous satellite centers that serve the diverse communities in the Greater Houston area by preparing individuals to live and work in an increasingly international and technological society. HCC is one of the country's largest singly accredited, open-admission community colleges offering associate degrees, certificates, workforce training and lifelong learning opportunities. 5G CRISIS

Super Fast Mobile System 'Will Put Lives At Risk'

5G Signal Could Jam Satellites That Provide Weather Forecasting

Forecasters may no longer be able to predict and warn against storms which last year dumped heavy snow on cities on the East Coast of the U.S. (Photo/ Humphreys/PA)

Compiled And Edited By John T. Robbins, Southern Daily Editor

The introduction of 5G mobile phone networks could seriously affect weather forecasters' ability to predict major storms.

That is the stark warning of meteorologists around the world, who say the next-generation wireless system now being rolled out across the globe is likely to disrupt the delicate satellite instruments they use to monitor changes in the atmosphere.

The result will be impaired forecasts, poorer warnings about major storms, and loss of life, they say.

"The way 5G is being introduced could seriously compromise our ability to forecast major storms," said Tony McNally of the European Centre for Medium-Range Weather Forecasts in Reading, Pennsylvania. "In the end it could make the difference between life and death. We are very concerned about this."

5G boxes are being attached to street signs across America.

The crisis facing the world's meteorologists stems from the fact that the radio frequencies the new 5G networks will use could contaminate critical Earth observations made by weather satellites.

Instruments onboard the satellites peer down into the atmosphere and study variables such as water vapour, rain, snow, cloud cover and ice content – all crucial factors that influence our weather.

One example is the 23.8 gigahertz (GHz) frequency. Water vapor emits a faint signal at this specific natural wavelength, and this data is monitored and measured by weather

satellites. Forecasters then use this information to work out how a storm or weather system is likely to develop.

Such data is critical to our ability to make forecasts," said Niels Bormann, also of the Reading weather centre. "They are a unique natural resource, and if we lose this capability, weather forecasts will get significantly worse."

A 5G box attached to a pole on the Las Vegas Strip, just one block from Caesar's Palace.

The problem is that some 5G phone networks may transmit near a frequency similar to that emitted by water vapor, and so would produce a signal that looks very like the presence of water vapor in the atmosphere.

"We would not be able to tell the difference and so would have to discard that data," added Bormann. "That would seriously compromise our ability to make accurate forecasts."

The urgency of the problem is underlined by the fact that US Federal Communications Commission and similar agencies in other countries have already started to auction off frequencies close to the 23.8 GHz frequency to future 5G network providers. In addition, other bands that are used to probe our weather include the 36-37 GHz band, which is used to study rain and snow; the 50 GHz band, which is used to measure atmospheric temperature; and the 86-92 GHz band, which helps to analyze cloud and ice.

A 5G box high on a pole near Boston's Fenway Park.

All these contain sections of waveband that are being auctioned off in the US. It remains to be seen if other nations will follow suit and sell these frequencies in their own coun-

tries over coming months. The issue is set to be debated at a global conference in Egypt later this year.

Forecasters say the US move has already compromised their ability to collect data, and promise to lobby other nations to limit use of crucial frequencies to preserve their ability to provide accurate forecasts. They accuse phone operators of ransacking the radio spectrum for wavelengths to exploit, and regulators of failing to protect the natural frequencies vital for Earth observation from space.

"The more we lose, the greater the impact will be," states meteorologist Jordan Gerth of the University of Wisconsin-Madison, in the current issue of Nature. "This is a global problem." (Courtesy https://www.theguardian.com)

5G Health Effects: Dangers Of New Wireless Technology

5G, the next-generation mobile wireless technology, will create the always-on, always-connected wireless world long-sought by the wide-eyed champions of this technology. It will infuse billions of connected devices, which will ceaselessly emit and receive wireless signals as they work to satisfy users all around the world.

The electromagnetic radiation from the hundreds of billions of 5G-connected devices will bombard the entire planet and most every human on it every second of every day. And herein lies the problem, say critics of 5G concerned about the health hazards of this new technology.

5G is a health risk, they contend, and a mounting number of studies seem to prove this point.

This new tech took its biggest leap forward in April when South Korea proudly boasted to the world that it had become the first country to deploy a nationwide 5G network. Samsung then revealed the world's first 5G mobile phone, the Samsung Galaxy S10 5G.

The United States plans to roll out nationwide 5G networks over the next few years. China wants to beat the U.S. to this landmark while the 27 countries in the European Union will deploy the tech by the next decade.

5G will be everywhere by the 2020s, and so will be its health dangers. For a start, getting 5G to become ubiquitous will mean building new cell towers, millions and millions of them. These towers bring with them all the health risks associated with overexposure to electromagnetic radiation.

The preliminary results of a \$25 million National Toxicology Program study released in 2016 found a link between cell phone radiation and cancer. It also found an increased risk of radiation exposure beyond what's deemed safe by the U.S. government.

Critics of 5G and its health dangers admit a lot of research needs to be done before they can definitely say cell phone radiation causes cancer. But the question they pose is: "Should humans be guinea pigs in the meantime?"

A 5G box attached to a lamp post at the corner of East 57th Street, close to Times Square in New York City.

"I don't think it's clear that there are health risks, but it's also not clear that there are no health risks," said Dr Leeka Kheifets, PhD, an epidemiology professor at UCLA.

According to a 2018 study published in the journal Health Physics, extremely fast bursts of data transfers on a device as the result of 5G technology might lead to the heating of skin tissue in exposed people under current safety guidelines. (Courtesy https://www.medicaldaily.com)

本屆歐霸於北京時間10日凌晨完成兩場次回合準決賽，結果阿仙奴憑奧巴美揚個人大演“帽子戲法”，作客以4：2反勝華倫西亞，兩回合計以總比數7：3殺入決賽。至於車路士主場與法蘭克福踢成1：1，總比數2：2平手，最終車路士互射12碼贏4：3過關，將與同市球會阿仙奴會師決賽；時間，這亦是首次出現兩大歐洲盃賽（歐聯、歐霸）全由英超球會對碰的局面（詳見特稿）。

■ 奧巴美揚（右二）是役連中三元。 路透社

■ 車路士門將阿列沙巴拿加（右）成為贏波英雄。新華社

■ 盧卡祖域（白衫）一度為法蘭克福扳平。 路透社

英超的響指 打出歐洲賽場“終局之戰”

特稿

歐聯與歐霸的準決賽硝煙散盡，遍體鱗傷卻依舊挺立的英超球隊，恍如《復仇者聯盟》中魁隆怒吼着打響響指，本季兩大歐洲球會賽中僅存的西甲、德甲、荷甲諸強瞬間“灰飛煙滅”。

利物浦與熱刺先後以大逆轉，“劇情”躋身歐聯決賽、阿仙奴與車路士有驚無險地會師歐霸決賽，這是自歐洲三大盃賽變為兩大盃賽後，歐洲球會戰事的決賽頭一次全部是英超球隊之間的對決，放眼全歐也沒有一個聯賽曾做到。同時，這也是英超對此前五個球季中西甲球隊五奪歐聯冠軍、四次問鼎歐霸成功這一近乎壟斷的格局的顛覆。

在以近5個賽季為計算尺度、體現各大聯賽歐戰成績的歐足協積分榜上，英超在本季已獲得21.071分，不僅是本季的搶分王，環比近5個賽季也只比2016-2017賽季西甲所搶到的23.928分略低。由於兩場決賽無論結果都將繼續為英超漲分，將本季冠名為“英超盛世”也不足為奇。

然而從總積分上看，本季西甲球隊打盹，德甲與意甲參賽隊孤木難成林，以一波集體衝鋒鎖定兩冠的英超依然只是競技上的歐洲第二聯

賽，雖拉大了相對意甲、德甲的領先優勢，但依然大幅落後西甲近20分，“新王”挑戰“舊王”第一聯賽大位的“終局之戰”才剛剛開始。

經歷了2015年無一支球隊進入歐聯八強的最低潮，英超在近兩個賽季復甦與十多年前的上一個巔峰有明顯不同。當時英超也曾佔據過第一聯賽寶座，從2006-2007賽季到2008-2009賽季的歐聯四強中英超均佔據三席，2008年車路士還與曼聯會師決賽，但當時的兇猛更多源於車路士的“土豪”足球，以及幾位英超名帥的運籌帷幄，聯賽的整體競爭力卻不如西甲。在體現中上游球隊水平的歐霸，英超球隊被西甲的馬德里體育會、西維爾等隊壓制，就是最好的證明。

青訓的成功以及大陸化風格的轉型，則為英超如今的成功奠定基礎。英格蘭各級青年代表隊在近年洲際、國際大賽上屢有斬獲，本土新星不斷湧現；摩連奴、賓尼迪斯、哥迪奧拿、普捷天奴等拉丁系教頭先後執教起英超強隊，更是讓英倫打法如虎添翼般配備上大陸式傳控。再加上英超聯賽成功的商業運作反哺球會提升水平，連中游球隊也有了一定的競爭力，更不必說曼聯、曼城、車路士、阿仙奴、熱刺、利物浦六強爭奪聯賽冠軍的態勢顯現，基本把持了全部歐戰門票。

英超長年的投入終於在今年迎來爆發，反觀其他歐陸豪門並未處於最佳狀態。本季，皇馬走了主力基斯坦奴朗拿度，又遭遇連番換帥自亂陣腳；拜仁

因此看來，即使英超在今年戴上兩塊“冠軍寶石”，也還遠不是天下無敵。在歐足協針對各球會近5個賽季歐戰成績的積分榜上，前五名依舊是皇馬、巴塞、拜仁、馬體會和祖記。歐洲大陸上的諸強經過夏休期的厲兵秣馬，無須經過時空穿越再打一次響指即可在下賽季歐戰開始時“滿血復活”。屆時究竟誰是魁隆，誰是“復仇者”？還尚未可知。

首回合輸1：3的華倫西亞是役有個好開始，於11分鐘由加美路先開紀錄。落後的阿仙奴6分鐘已由奧巴美揚扳平。到下半場，拿卡錫迪在開賽僅5分鐘再入一球，雖然加美路之後替主隊再入一球，但奧巴美揚及後連入兩球完成今場“帽子戲法”，帶領阿仙奴總比數7：3，繼1999/2000球季的歐洲足協盃（歐霸前身）後，再次晉身決賽，最終勝出便可出線來季歐聯比賽。

奧巴美揚：從上季失利學習

阿仙奴教頭艾馬利就表示：“我們有兩條路可以獲得來季歐聯資格，一是在英超爭四，二是贏得歐霸冠軍。我們知道爭四已經很難了，所以現在球會要爭取歐霸冠軍，我們很有機會的。”至於是役連中三元的奧巴美揚就謂：“我們從上季的失利學習了很多，今季我們再沒有犯上同樣錯誤，終成功殺入決賽。”

另一方面，車路士在周五凌晨主場迎戰法蘭克福。雙方首回合踢成1：1，有一個作客入球在手的車路士於28分鐘先由羅夫度斯卓克打開紀錄；只是法蘭克福下半場卻由盧卡祖域扳平，雙方總比數2：2平手要進入加時，由於加時雙方同樣無入球，終要互射12碼分勝負，結果法軍有軒迪列加和柏辛斯亞先後射失，車路士在僅有艾斯派古達“宴客”下贏4：3，繼2012/13球季後再次殺入決賽。

沙利不滿決賽前赴美國友賽

雖然殺入決賽，但車路士領隊沙利賽後仍是滿腹牢騷：“十分不幸地，我們在決賽前將要前赴美國進行慈善賽，幸而之後還是有10天時間作準備，我們必須及時回復體能。”在5月29日的決賽前，車路士在班主阿莫域治安排下，將於5月15日遠赴美國，出戰對新英倫革命的慈善賽。

五国女导演携手合作
她 5月10日
她们撑起全世界

半边天

监制: 贾樟柯
Producer: Jia Zhangke
第二部金砖国家合作影片
The Second BRICS Co-production

《半邊天》將上映 聚焦全球女性故事

由賈樟柯監制、金磚五國合作首部女性題材影片《半邊天》將於5月10日登陸全國院線。影片通過五個風格迥異、各有特色的短片，講述五個不同國家、不同背景、關於女性的故事；不僅重新定義女性力量，同時凸顯了女性的社會、家庭等價值。上映前日，影片四大看點的揭秘，提前讓各位觀眾壹睹為快。

金磚國家再合作 呈現精彩故事

電影《半邊天》通過五個短篇故事，為觀眾展現了各個國家獨特的民風民俗。比如代表著中國家庭的傳統食物“餃子”、俄羅斯年輕人通過相親網站交往的新風潮以及印度傳統家庭的日常生活等。其中，在多部影視劇中奉獻精湛演技的演員王珞丹與劉蓓在中國篇《餃子》中飾演壹對母女，將職業女性的職場憂慮與家庭主婦的生活困擾壹展現。

關注全球熱點話題 “網戀奔現”引熱議

《半邊天》用五個風格迥異卻

同樣精彩的故事，呈現出女性群體常見的問題。影片呈現了近些年全球關注的熱點話題，比如南非女運動員被懷疑性別、俄羅斯網戀成風卻“見光死”。同時中國、巴西和印度都聚焦於家庭，從家庭主婦、職業女性到原生家庭傷害、黃昏戀，不同故事情節引起不同觀眾群體的共鳴：“南非篇讓人感受頗深，性別不能限制我們做任何事情，女性也可以有超越男性的力量和意願力。”“當妳質疑女性沒有為家庭賺錢的時候，卻沒有想到她們創造了遠高於金錢的價值。”

風景如畫 壹場多文化交融的奇妙旅行

《半邊天》中各具特色的電影風格和畫面是壹大亮點，《餃子》柔美溫馨，讓觀眾恍若回到家中；《線上愛人》色彩斑斕，碧草紅裙的配色熱情奔放，呈現壹座如油畫版的俄羅斯村落……五位女導演還將本國獨有的人文風情融入到電影中，在電影劇情發展的同時將每個國家獨有的社會環境、女性地位等方面進行展現，帶給觀眾壹場奇妙的跨國旅行。

集結國際優秀女導演 聚焦“半邊天”

《半邊天》此次邀請了來自中國、俄羅斯、印度、巴西、南非五國，極具創意的女性電影導演執導。中國導演劉雨霖執導《壹句頂壹萬句》曾入選了柏林電影節、釜山電影節、臺灣金馬獎等眾多國內外電影節。巴西導演丹尼拉·托馬斯獨立執導的電影《瓦贊蒂》入選了2017年柏林電影節大觀單元。俄羅斯導演伊麗莎維塔·斯蒂娃娃與南非導演薩拉·布蘭克的作品曾入圍多個國際電影節。值得壹提的是，印度短片《媽媽的假期》由《摔跤吧！爸爸》團隊傾力打造，導演阿什維尼·伊耶·蒂瓦裏被印度雜誌票選為印度最有影響力女性之一。

電影《半邊天》由北京西河星匯影業有限公司出品，中國電影股份有限公司、上海暖流文化傳播有限公司、北京無限自在文化傳媒股份有限公司、愛奇影業（北京）有限公司聯合出品，將於5月10日母親節前登陸全國院線。

陳都靈劉昊然 《雙生》曝終極預告

据悉，由陈都灵、刘昊然领衔主演的国产青春悬疑电影《双生》将于5月18日在全国各大院线清新上映，目前，电影在猫眼电影上的“想看”人数已接近15万人，热度持续上升。近日，片方释出了影片的终极预告，影片的预售也已在各大票务平台正式上线。

电影《双生》讲述了艺术学校的学生李品（刘昊然饰）某天接到一封神秘委托，而委托内容仅是为一位名为“涛”的女孩（陈都灵饰）画像，为了完成这一委托，李品只身前往一座林中豪宅。在豪宅中，李品见到了轮椅上的美丽少女“涛”，“涛”纯净的气质和美丽的面庞让李品很有好感，但随着故事的逐渐深入，李品也渐渐发现，在“涛”那双清澈的眼睛背后，还隐藏着不为人知的秘密。

作为影片的两位关键性角色，李品和“涛”之间的关系自然是观众最为关心的问题之一，而在预告片中，观众也能稍稍窥见剧情一隅。随着钢琴琴键声响起，观众眼前出现了影片中某个梦幻得如同童话一般的房间，影片弥漫的独特的文艺气质将观众一下子拉到电影的氛围之中，而预告片中“涛”与李品间，或恶作剧，或对视，或各自微笑，从预告片瞥见的寥寥几笔便能看出，导演见微知著，“涛”与李

品间的互动将会由层层细腻的笔触不断叠色，使人物角色更加丰满，触达人心。

在本次终极预告中，出现了“涛”的姐姐“焰”的名字，对于广大观众来说，这是一个未知神秘的新新人物，从预告片释出的剧情来看，“焰”的出现无疑将极大改变李品与“涛”之间的关系。

预告片开始，“涛”便对李品说，他此次并非仅为“涛”一人作画，而要画姐妹两个人，面对从未谋面的姐姐，李品渐渐表现出了好奇，而在预告片最后，一向给人以冷静恬淡印象的“涛”画风忽然反转，竟情绪激动地说了一番“讨厌焰”的发言。与“焰”从未见过面的李品，从单纯的“想要去了解”到最后的“一定要见到”，李品与“焰”间经历了怎样的起承转合，让人颇为在意，也让人对于影片中三人的关系愈发摸不透，想要了解故事背后的真相。三人间的命运红

线不断拉扯缠绕，最后将以怎样的方式终局收场，让我们期待电影里众多演员的精彩演绎。

据悉，随着这次终极预告的释出，电影的提前预售也将在国内各大票务平台顺势拉开，对于期盼《双生》这部电影已久的影迷来说，这无疑一则好消息，相信《双生》的上映一定会为初夏将至的五月注入一丝清新的熏风，带来不一样的青春活力。

据悉，电影《双生》由春秋时代（霍尔果斯）影业有限公司、北京春秋永乐文化传播有限公司出品，云南金彩视界影业有限公司、深圳善为影业股份有限公司、广东省广影业股份有限公司、北京艺杰文化传媒有限公司、晟源瑞恩（大连）文化传播有限公司、霍尔果斯乐风影视有限公司、北京乐麒影视有限公司、奕齐影业（上海）有限公司联合出品，将于5月18日在国内外各大院线上映。

西北版瘋狂的石頭 《灰猴》西安見面會

由新生代導演張璞執導，王大治、高峰、王靖雲、駱達華、李彧等人聯袂主演的喜劇電影《灰猴》今日舉辦了“笑鬧西安”映後見面會。導演張璞攜主演王大治、高峰、李彧、馬菁菁、李洋現身見面會現場，為觀眾分享幕後拍攝精彩故事並現場方言互懟。電影中壹件“天價”古董的出現打破了小鎮的寧靜，各路人馬爭搶過程中誤會叢生，陰差陽錯的巧合令觀影現場笑聲不斷。時間場景交錯重疊的結構加上獨具特色的地方魅力令不少觀眾大呼驚喜，更有人稱贊其為“西北版《瘋狂的石頭》”。

電影《灰猴》中，老宋刀削面名揚雲州城，眾人為獲取秘方更是煞費苦心。此次眾主創也特地來到了面食之城西安，現場解讀人物角色與精巧劇情。導演張璞更被現場觀眾盛贊為“青年導演的希望”，他在談及拍攝心情時道：“過程雖波折，但多虧了多位演員的支持與幫助。”在面對現場觀眾詢問其是否介意與寧浩相比時，導演大方回應：“有比較才會有進步，

打趣闡述角色特征之余，更與觀眾親密互動獲贊‘幽默又貼心’。

影片中的山西風土人情及地方特色廣受好評，說著方言的“壹群灰猴”將小地方裏鮮活多彩的人物演繹地淋漓盡致。不管是憨懶的飯店老板，還是見利忘義的土商與虎落平陽被犬欺的職業“高手”，各有特色的小人物集中在雲州城這個小地方，上演壹幕幕啼笑皆非的人間喜劇。電影從不同視角出發，將整體故事分割成幾個篇章，完整多面地展現“同場不同景”，環環相扣的劇情令觀眾稱贊其為“西北版《瘋狂的石頭》”。

在映後見面會上，眾主創還用自己的家鄉方言打趣互懟，調侃“灰猴”的另類說法引在座觀眾糾正發音，笑果十足。鮮明的地域風格、笑中帶理的內容主旨、多視角展現故事內容引觀眾評論：“謝謝導演把我的家鄉山西拍的這麼美！”、“多個小故事最後湊成壹個大局，非常驚喜！”

休士頓韓國瑜之友會 在高雄與市長有約

休士頓韓國瑜之友會會長賴李迎霞偕聯總會理事長鄭致毅係選立委童惠珍和會員們一起為韓國瑜市長加油打氣！

[跟著月亮走]這本書寫的不錯,休士頓韓國瑜之友會賴李迎霞會長特地去買了一本,請韓國瑜簽名。

橋聯總會美南分會會長與僑選立委童惠珍,有朋自遠方來不亦樂乎！

(本報訊) 賴李迎霞是僑聯總會美南辦事處主任,休士頓東吳大學校友會會長,也是休士頓韓國瑜之友會會長。2019年4月17日特地飛往波士頓參加了韓市長僑宴,深深感動,尤其是市長說要僑胞把身體照顧好,明年1月11日一定要回台灣投下神聖的一票,這次的選舉是台灣最重要的生死保衛戰。回休士頓成立韓國瑜之友會,配合僑聯總會,立即成團,「韓市長見面會」共團員二十人,有德州、加州、佛州、華盛頓各地來的僑胞,更有華僑第二代,來參加實地經驗美國與台灣民主自由的不同選舉的方式,更吸引他們的是想來看看為什麼僑胞韓粉崇拜的英雄,是有如此大的魅力,成千上萬的韓粉為他加油打氣,瘋狂的支持。

希望韓市長有機會到美國南部來參訪,南部的僑胞都已準備好迎接市長,

尤其是德州休士頓。休士頓有長榮航空由台北直飛休士頓,省去轉機的辛勞。休士頓是太空中心,醫療中心,石油重鎮。聖安東尼市是美國重要的觀光聖地,又是高雄市的姊妹市,又有共同的觀光景點「愛河」,如果市長能抽空參訪德州一舉數得啊。

高雄發大財-拜會韓市長行程:5月6日(周一)上午10時高雄左營高鐵站集合上車,前往高雄鹽埕觀光碼頭搭船遊港。上午10時30分搭上高雄港遊港觀光客船-占岸一號長度15公里,來回約1小時的遊港路線,透過導覽員有趣解說,可以在最短時間內,深入了解港都高雄發展史。壯闊的第二港口,中鋼、中船貨櫃船運作,還有軍艦、造船拆

、漁市。下午2時碼頭集合搭乘渡輪返回高雄。下午3時拜會高雄市政府市長韓國瑜先生。下午4時鳳山「衛武營國家藝術文化中心」過去曾為軍事新訓中心的衛武營,在2018年10月以嶄新的姿態,變身為國家藝術文化中心,以及與附近原有的都會公園結合,給旅客不一樣的視覺與改變,成為南部新的藝術地標,也是南部唯一國家級表演藝術中心,從室內到戶外豐富的藝術及展演,領航著南台灣。備註:此行程僅衛武營建築及外圍參觀,非內部展覽行程。下午6時高雄市晚餐。

打造成台灣最美的觀光線,配合市長的努力目標「貨出得去,人進得來,高雄發大財」,時勢造就英雄,我們此

韓國瑜市長被熱情的僑胞團團圍住,111位僑胞合影,111位僑胞正代表著明年一月十一日一定要回國投票,選總統,救臺灣!

船廠等等,您會發現到這些海上作業船隻是台灣人的驕傲,也是台灣的經濟命脈。上午11時30分前往鼓山渡輪碼頭,搭乘渡輪前往旗津,汽笛的嘟嘟聲,是高雄與旗津往來熟悉的記憶,到現在仍然持續著這個每日航班,小小的一段渡輪體驗,感受真正的港都啊。旗津天后宮樸實典雅的格局,融入庶民的生活,是高雄市第一座媽祖廟,為三級古蹟。重要的是它陪伴旗津人走過墾荒、戰爭、重建的歷程,是高雄發展的源頭。旗津老街指的是旗津的旗後街,又稱通山巷,生活精華應有盡有,在老街再造後,讓藝術為傳統聚落帶來新風貌,更為旗津增添文化風華。12時30分午餐-旗津海鮮風味餐,餐後可自由逛旗津老街

行的目的就是希望市長「選總統,救台灣」,「台灣安全,人民有錢」,「大膽挑大擔」。我們海外僑胞都是有「複雜的腦,單純的心」,特地由海外風塵僕僕而來與韓市長有約,建議高雄市長韓國瑜,高雄市觀光代言人,我們海外的代表性人物應該是「林書豪」,哈佛大學高材生,NBA的球星,青年代表是最佳人選。

休士頓韓國瑜之友會會長賴李迎霞特地購買了一本「跟著月亮走」黃光芹記者採訪撰述,韓國瑜市長口述的名作,獲得市長親筆簽書並合影於高雄市市政府迎賓廳,這是此次回台灣去高雄拜會市長,值得的而有意義的收穫,真是難能可貴。

提供居家護理 愛心呵護照料起居 「家家樂」協助照顧老人家及殘障人士

居家護理,協助照顧老人

【記者章霓休士頓報導】許多上班族上有老、下有小,被稱為「三明治人」,他們心中往往扛著這樣的擔子,家裡有年老長輩需要照顧或陪伴,自己又得上班,還要盯著孩子,真是心有餘而力不足。同樣的,家中有人行動不便,不定期需要協助,卻找不到人幫忙,大嘆分身乏術。無論是老年長輩、或是行動不便的家人,在每天24小時的生活中,都可能需要各種不同的照料,如果時間及精力不能配合得上,該怎麼辦?

「家家樂」為您解決問題,九成以上不須額外支出

家家樂家庭護工中心(Assist-Med Inc)為您解決這方面的問題,安排細心專業的人到您府上,配合您家中老人、或是行動不便家人的需要,而且九成以上民衆不須額外的支出,費用由政府或是保險公司支付,這是很多人不知道的美國政府的福利之一,前提是受照顧者必須是美國公民、或是在美居住時間達四、五年以上的綠卡永久居民。

專業護理來家中幫忙

許多華裔長輩,在美國奮鬥多年,當退休之後年紀越來越大、需要照料的時候,不少人還是希望能在自己家裡,一方面環境是自己熟悉的,另一方面,還有機會與晚輩互動。然而,晚輩可能需要上班,或是打理其他家裡的事務,不

能一定時時刻刻陪在身邊,這時候,如果能有專業護理人士來家中幫忙,將會是很大的協助。家家樂家庭護工中心為您家中的長者或殘障人士提供細心的照料,讓您家中長輩、您自己、或是行動不便的家人,都有更好的生活品質。

家家樂家庭護工中心已經有二十多年歷史,為民衆及政府之間搭建管道,當有需要的民衆與家家樂家庭護工中心聯繫上之後,政府會有專人到您的家中訪談,評估受照顧者每週需要多少照料的時間,有些數小時,有些20小時,有些則是每天24小時都需要看護,視不同的情況而定。已經有保險的民衆,申請之後很快就能得到服務。

可幫忙向政府提出申請

如果是沒有保險的民衆,家家樂家庭護工中心還會幫忙向政府提出申請,依不同經濟情況而定,成功率達九成以上,大部分民衆不用自己出錢,看護的費用由政府或保險支出。至目前為止,家家樂家庭護工中心已經幫助許多民衆向政府申請到免費的服務。

提供照料服務

家家樂家庭護工中心有德州老人及殘障服務部門許可,提供民衆照料服務,像是陪伴老年人日常起居生活的照顧、個人衛生護理、或生病中的照應,包括協助老人或殘障人士移動和步行活

協助長輩量血壓,掌握健康狀況

動、陪伴鍛鍊、準備三餐、洗澡、餵食、陪同探訪醫生、簡單家務協助、取藥、購物、長期或短期照顧、更換衣物等。

語言考量是另一個重要問題,家家樂家庭護工中心可以安排華裔護理人員,方便日常溝通。同時,在飲食上,華裔看護所準備的膳食也更容易讓家中長輩接

護理人員細心的協助長輩使用步行器

受。

屢次獲獎

每年政府都會審查經營家庭健康護理的公司,家家樂家庭護工中心屢次獲得政府肯定,得過不同的獎章,是同行中最讓人滿意的公司之一。家家樂家庭護工中心的總部聯絡電話是C: 713-298-0430(中文專線)。O:

護理人員為長輩穿衣服,照料生活上的需要

832-300-3100(英文)。地址在2000 S. Dairy Ashford Rd, suite 450, Houston, Tx 77077。其他辦事處為CONROE 281-419-1464(英文)。GALVESTON 409-621-1114(英文)。歡迎有需要的民衆洽詢。

家家樂提供民衆照料服務,如家中有人行動不便可提出申請
